The Company will receive, not later than midnight, NIGHT LETTERGRAMS, written in plain English, to be transmitted only for delivery not earlier than the morning of the next ensuing business day, at rates as follows: The standard day rate for a ten-word day message shall be charged for the transmission of a NIGHT LETTERGRAM containing fifty words or less, and one-fifth of the standard day rate for a ten-word day message shall be charged for each additional ten words or less in such NIGHT LETTERGRAM.

For this, one-half the unrepeated NIGHT LETTERGRAM rate is charged in addition. Unless otherwise indicated on the face of this blank, THIS IS AN UNREPEATED NIGHT LETTERGRAM AND IS PAID FOR, OR AGREED TO BE PAID FOR, AS SUCH, in consideration whereof it is agreed between the sender of the NIGHT LETTERGRAM and this Company as follows:

1. The Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery, of any UNREPEATED NIGHT LETTERGRAM, beyond the amount received for sending the same; nor for mistakes or delays in the transmission or delivery, or for non-delivery of any REPEATED NIGHT LETTERGRAM, beyond 6 — times the sum received for sending the same, UNLESS SPECIALLY VALUED AND INSURED; nor in any case for delays arising from unavoidable interruption in the working of its lines; nor for errors in obscure Night Lettergrams.

3. Correctness in the transmission of NIGHT LETTERGRAMS to any point on the lines of the Company can be INSURED by contract in writing, stating agreed amount of risk, and payment of premium thereon, at the following rates, in addition to the usual charge for REPEATED NIGHT LETTERGRAMS, viz: one per cent. for any distance not exceeding 1,000 miles and two per cent. for any greater distance.

4. This Company is hereby made the agent of the sender, without liability, to forward this NIGHT LETTERGRAM over the lines of any other company when necessary to reach its destination.

5. NIGHT LETTERGRAMS will be delivered free within one-half mile of the Company's office in towns of 5,000 population or less, and within one mile of such office in other cities or towns. Beyond these limits the Company does not undertake to make delivery, but will, without liability, at the sender's request, as his agent and at his expense, endeavor to contract for him for such delivery at a reasonable price.

7. The Company will not be liable for damages or statutory penalties in any case where the claim is not presented in writing within thirty days after the NIGHT LETTERGRAM is filed with the Company for transmission.

The Soldier Settlement Board.

OTTAWA - 15th March, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Gordon A. Affleck, #164148.
S.E.¼ 5-30-4-W.4th M. - S.G.

The above named settler secured advances from the Board totalling $3000., the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Affleck requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Affleck states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter of the 30th of January, 1924, from the Secretary of the Department to the settler, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ of 5-30-4-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

Minister of Interior,

Dear Sir,-

My son and I made entry at Provost, Alberta for two homesteads and pre-emptions. My homestead being S. W. quarter section of section25 in township 21, range 5, west of 4 meridian and the N. W. quarter of same section (25) as a pre-emption. My son Robert Lamb has entered for N½ W. quarter section of section 24, township 21, range 5, west 4th meridian as a homestead and S. W. quarter of samesection (24) as a pre-emption. We mad entry at Provost sub-office on May 12/10 and received our interim receipts from Local agent at Calgary dated May 21, 1910.

We had planned to go this fall thought Goose Lake branch of C. N. R. would be constructed within 25 miles of land, but it does not carry freight closer than Tindersley Sask., a distance of about seventy miles and Provost is almost same distance to the N. W. In order to get to either of these towns it is necessary to cross through a very rough district and as this has been a very dry year fodder is scarce and it would be impossible to winter stock and if we did not go until spring the stock could graze so we would like to secure an extension of six months or permission to begin our duties about May first. We also wanted to know if my son, Robert Lamb could live with me on my homestead on adjoining section or if it would be necessary for him to erect a dwelling on his own homestead or pre-emption. Please forward reply to

Yours truly,

RECOMMEND by the Seed Grain Advisory Board.

REMARKS Indebtedness to be cancelled without any payment and the liens discharged.

ORDER-IN-COUNCIL P.C. 24/77 DATED [illegible]

Ottawa, 7th December, 1953.

Mr. E.M. Medlen,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Robert Lamb,
N.E. 24-31-5-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 relief and seed grain amounting to $248.50 were advanced to Robert Lamb on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 248.50	$ 530.83	$ 779.33

Patent was issued in the name of Robert Lamb for the N.W. 24-31-5-W.4th on the 23rd of February, 1914, and later became subject to the 1915 liens. The S.W. 24-31-5-W.4th was formerly the pre-emption entry of the debtor on which security an advance of seed grain was obtained in 1919.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied at present under Cultivation Lease as issued by this Department and in view of it being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Re: Account of Robert Lamb,

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

I beg to acknowledge the receipt of your statement dated the 11th inst., with medical certificate, and in reply to say that it has been decided to protect your entry for the above land until the 1st July next. This is the best that can be done at the present time.

However, it will be necessary for you, by the date mentioned, to satisfy the Agent of Dominion Lands at Edmonton that you are in residence and have broken not less than ten acres.

Failure to do so will render your entry liable to cancellation.

To the Secretary,
Dept. of the Interior,
Ottawa.

Dear Sir,

Through the Agent at Edmonton I asked, on the 11th instant, an extension of time until the 15th of August next, in connection with my homestead entry for the N.E. 1/4 of section 15, township 67, range 13, west of the 4th meridian, in Lac la Biche district, Alta.

I took that homestead on the 11th of October last, and I hope you will be able to grant me this extension of four months I am asking for, as I am at the present time suffering from bronchitis (chronic and with complications) and my Doctor tells me that this delay is necessary so as not to leave before I am able to do so without danger.

But I may say, that if it is at all possible for me to go on my land before that time, i shall be too glad to do so, as I am anxious to go back to farming and stock raising, which occupation I was in when in France.

I also expect to receive atan early date the report regarding my application to purchase the fractional N.E. 1/4 of section 22, township 67, range 13, west od the 4th meridian , adjoining my homestead.

Thanking you in anticipation,

I remain, Sir,

Yours truly,

Replying to your letter of the 15th instant, having reference to your desire for an extension of time, owing to ill-health, in connection with your homestead entry for the above described land, I beg to say that you will by this time have received the Departmental letter of the 20th idem, which crossed yours in the mails, notifying you that it had been decided to protect your entry until the 1st July next on certain conditions.

Should this extension of time prove insufficient, you are at liberty, shortly prior to the expiration of the protected period, to submit a medical certificate in regard to your health, when it will be decided whether the Department would be justified in granting you a further extension of time until the 11th October next, when twelve months will have elapsed from date of entry.

I may add that to strengthen your position, should a further application be made, it would be well for you to construct a habitable dwelling house on the land and break not less than ten acres during the breaking season.

The Secretary,

By your two letters dated the 20th and 30th March last you have granted me an extension of time of 3 months, that is to say until the 1st July next, for going on my homestead situated at Lac la Biche, the N.E. Sec. 15, Tp. 67, Rg. 13, W. 4 M. My great desire is to find myself recovered so as to be able to go on my land, but my doctor has just prescribed me a new rest; he considers that my present state and the laryngitis of which I have a severe attack, will not permit me to think of going at the present time. Considering really that it would probably be a serious imprudence on my part, I come to ask you, Sir, referring to your letter of the 30th March, if it would be possible for you to grant me a new extension of three months' time, or even of 2 months' time, that is to say until the 1st September or the 1st October next. My homestead is 175 miles from Edmonton, no line going there yet, my present state of health does not permit me to go there again to build my house and to break the 10 acres prescribed but I assure you of my willingness to do what is necessary by the 11th next October, the date on which I took my homestead. Of Beauce origin I have always been in France in agriculture and in stock-raising, I intend to fulfill more than my obligations, also I hope that you understand the very strong cause which obliges me to make this request of you.

Hoping for a favourable reply I ask you to kindly count, Sir, on my strong desire and to assure you of my entire devotion,

The Secretary,

Called to go at once to the flag during the present war, I wrote you a letter on my departure from Edmonton, telling you that I found myself forced to abandon my homestead situated at Lac la Biche, the N.E. 15 - 67 - 13 - W. 4 M. I certainly cannot go back on my given word, but leaving hastily I have learned from my comrades that a public notice in the papers states that the time passed under the flag will count on the homesteads as time passed on the land. I regret, therefore not having known this but ask you to kindly take this into account, if you possibly can, on my return to Canada, in taking another land.

Very sincerely,

Mr. Agent of Dominion Lands.

Edmonton, Alta.

Replying to your letter dated the 31st December, I have the honour to inform you that I am always keeping an am anxious to not give up my homestead situated at Lac la Biche, the N.E. ¼ of Section 15, Township 67, Range 13, 4th Meridian.

Having come to France to get married, I have had to prolong my stay here because of illness as the result of a war wound, for which I send you a certificate, enclosed herewith. Mobilized from the 7th October, 1914 to the 1st April, 1919, having served 53 months at the Front, wounded and decorated with the croix de guerre. I suffered on the 1st July, 1917, some poisoning as the result of a bombardment by asphyxiating gas shells (Att'n No. 6028 issued Edmonton, Alta., date May 17th, 1920). Suffering from chronic pharyngitis I am held and obliged to undergo treatment by Dr. Gallot of the Faculté de Paris, who requires my presence here for some months yet.

Be assured, Mr. Lands Agent, that shortly and as soon as this treatment is finished I will make it not only my duty but a very great pleasure to return to my land to spend all the rest of my life there.

A Canadian in soul, loving Edmonton more than any place in the world, having left my best memories in the Hudson's Bay Company, I dare to hope, Mr. Agent, that you will do everything and that you will do justice, so that I may not be dispossessed of my rights and of this land which I am always anxious to keep.

With my full gratitude and all my thanks in advance, will you accept, Mr . Lands Agent, my respectful greetings

Enclosed 3 certificates requested.

He asks for an extension of time and states that he wishes to retain his homestead as it is his intention to return to Canada as soon as physically able. I am in receipt of your letter of the 31st January with enclosures, informing the Department that you desire to retain your homestead, the above described land.

In order to earn title it is only necessary that you break 30 acres of the land and crop, or prepare for crop, a reasonable proportion thereof.

If the land is difficult and expensive to work, a reduction in the area of cultivation required would be made to an area equal in cost to the cultivation of 30 acres of ordinary prairie.

Please advise whether you have any means of getting the work done this year so that you might make application for patent for your homestead while still in France.

J'accuse réception de votre lettre du 31 janvier dernier avec pièces annexées, dans laquelle vous exprimez votre désir de retenir votre homestead, la quart de section ci-haut décrit.

Pour obtenir vos titres ou la "patente" pour cette terre, tout ce que vous avez à faire en fait de travaux consiste à écrouter "break" 30 acres et les ensemencer, ou à en préparer pour la moisson une portion raisonable.

Si la terre en question est difficile à cultiver et, par ce fait, coûteuse sous le rapport des travaux, l'étendue de culture requise pourrait être réduite de manière à être proportionnée au coût de la culture de 30 acres de prairie ordinaire.

Veuillez nous dire si vous croyez être en position de faire faire ces travaux cette année, ce qui vous permettrait de réclamer votre patente pour votre homestead pendant que vous êtes encore en France.

Sir,

N.E.¼ 15--67--15 W. 4th M.

Referring to the cancellation proceedings outstanding against your homestead entry for the land above described, I beg to inform you that the Agent of Dominion Lands at Edmonton has recently reported that you have failed to carry out the instructions contained in my letter of the 26th August last.

It will, therefore, be necessary for you, within sixty days from this date, to file satisfactory evidence with the aforesaid official that it is your intention to have the required cultivation duties completed at the earliest date possible. It might be well to inform you that before you will be in a position to make application for patent, it will be necessary for you to show thirty acres of breaking and a reasonable proportion prepared for crop. If, however, the land is difficult to break, the area may be reduced to the equivalent in cost of bringing thirty acres of ordinary prairie land under cultivation. When replying, please give the name and address of the person whom you have employed to bring the land under cultivation.

Failure on your part to carry out the instructions contained in this letter within the time allowed may result in final action being taken.

Your obedient servant,

Secretary.

I beg to acknowledge receipt of your letter of the 5th instant, and in reply would refer you to Departmental letter of the 17th September, 1914, which reads as follows:-

"I beg to acknowledge the receipt of your "letter of the 3rd instant, notifying Mr.M.Landier of "the institution of cancellation proceedings against "his entry for the above land.

In reply I am to say you should notify the "applicant for cancellation that for reasons satisfactory "to the Department, Mr.Landier was granted an extension "of time within which to resume the performance of the "requisite settlement duties until the 1st May, 1915, and "therefore his application to cancel has no standing at "the present time.

(2) of His Majesty or of any of His Majesty's Allies and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada in a theatre of actual war; or,

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend in any case, no grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry granted shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section the priority of their claims shall be determined by the priority of the dates of their respective entries or the commencement of residence in the case of squatters before survey.

34. The Agent, due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person or send for the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described has not been entered for by an adjoining settler on the last day on which such land became available for entry, or if it has not been applied for on the day of the opening above mentioned, it shall be open for entry on the following day to any applicant to make entry under these regulations.

Sir,

I beg to acknowledge the receipt of your printed letter and in reply to say that according to the information therein contained, that you were not in residence since October, 1912, there appears to be no reason why the existing entry for the N.W.¼ of Section 18, Township 56, Range 5, West of the 5th Meridian should be cancelled, in order that your entry might be restored. In fact your entry was seriously in default at the time of cancellation.

In view of the foregoing, you will readily understand that you have no claim to this land whatever, and cannot re-instate occupation thereof.

If you desire authority to take up other land it will be necessary for you to make application to this office, over your own signature.

Timber and Grazing Lands Division have asked to be advised if the Inspector's report of August 1929 varies with former reports on the above described lands and if in view of the nature of the latest report whether or not these lands might be considered of a class which could be disposed of under the Grazing Regulations.

In November 1927 Inspector Harcombe reported on the North West 14-24-10-W.4th M., to the effect that this land is rolling and rocky, 120 acres fit for cultivation but is only suitable for a homestead for a person who has other land in the vicinity, otherwise he would recommend it for grazing.

In September 1927 Inspector Fleming reported on the N.½ 13-24-10-W.4th M., to the effect that 100 acres were fit for cultivation but that 180 acres had been broken and gone back to weeds. The entry at that time was cancelled in May 1914 and the land has not since been held in homestead entry.

In September 1922 Inspector Goodmer reported on the S.½ 23-24-10-W.4th M., to the effect that the whole quarter section was suitable for cultivation and that the soil consisted of chocolate loam.

This land was posted for settlement in November 1922 and entry was never granted thereon.

In May 1930 Inspector Fleming reported on the S.½ 25-24-10-W.4th M., to the effect that this land at that time had but one crop on it and he valued the land at $20.00 per acre. The entrant abandoned this entry in September 1925 and the land was posted the following month for settlement and has not since been entered for.

In August 1929 Inspector Stickney reports on all the above mentioned lands as follows:

"This land is hard clay, very poor sort, stony, hardpan "in a dry district. Practically all the land in this district "that was once cultivated is now abandoned and gone back to sod. "It is unfit for cultivation or for stock homesteads.

"Recommend that lease be granted.

"I am of the opinion that the granting of a twenty-one year lease on above mentioned land will not injuriously affect the interests of any bona fide established industry in the district."

I am informed by the Secretary Treasurer of the Municipal District of Berry Creek that his information is to the effect that our seed grain debtor Jos. Johnson has left that district for parts unknown. The land given in security for the 1920 seed grain advances had been Johnson's pre-emption entry, which entry was cancelled on 2nd June 1924. As the lien is not a charge against his homestead I presume this case must rest in abeyance until the quarter has been re-entered for.

MEMORANDUM:

Mr. Hill

Re - Joseph Johnson
N. W. 23-24-10 W 4

Mr. Joseph Johnson in the year 1920 obtained an advance of Seed Grain amounting to $275.00, giving as security his unpatented pre-emption, N. W. 23-24-10 W 4.

The present standing of this lien is as follows $272.92 Principal - Total indebtedness to 31st March last $362.73.

On 2nd June, 1924, his entry for the N. W. ¼ was cancelled. While cancellation proceedings were pending investigation was made to ascertain if Joseph Johnson still held Title to his patented Homestead, the N. W. ¼, and on this fact being established, action was taken on 14th March, 1924, to have our security strengthened by registration against this land.

Messrs. Munson, Allan & Co. - on behalf of their clients, the North of Scotland Canadian Mortgage Company, Ltd. - made representations on 12th February last that their clients had been negotiating for some two years for clearance of their Title through foreclosure proceedings of a first mortgage held by the said company. They suggest that as the Crown has nothing to gain by relying on the registration made that the lien be removed.

From Historical Abstract of Title dated 30th April last, it substantiates that the North of Scotland-Canadian Mortgage Company holds first mortgage and that there is registered also notice of sale and foreclosure under date of 11th October, 1923. It will be observed, therefore, that when the registration of our lien was made on 25th March, 1924, the Department was not cognisant of the foreclosure proceedings pending.

In consequence of the action taken by the said mortgage company prior to the registration of our lien, no alternative would seem to be left other than to accede to their request.

Lands.

Referring to Mr. Owen's memorandum hereunder I might say that registrations of this nature are made for what they are worth as additional security to the unpatented land mentioned in the lien. Had we been in possession of a full abstract of title, showing Notice of Sale and Foreclosure registered, no action would have been taken to have this lien placed against the title to the N.W. 23-24-10 W.4th. Under the circumstances, I would recommend the release of the lien as affecting this land.

Re: Account of Joseph Johnson
N.E. 23-24-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $275.00 was advanced to Joseph Johnson on the security of the above mentioned land. A payment of $4.55 was received in 1940 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 272.92	$ 605.63	$ 878.55

The N.E. 23-24-10-W4 was formerly the pre-emption of the debtor on which security he obtained an advance of seed grain in 1920. His entry was cancelled on the 20th of May 1944 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 22nd of July 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Sir,

I beg to advise you that a patent, bearing date 13th August last, in favour of Wilfrid Unger for the S.E.¼ of section 23, township 46, range 3, west 4th Meridian, was completed on the 22nd of the same month, and such patent should have been sent to your Office on the latter date, or thereabout, but according to the records here this action would not appear to have been taken and the patent cannot be found. This is one of three patents which seem to have been mislaid about that time, the other two being for the following lands :-

S.W.¼ 3--57--9, West 5th Meridian, patented 11th August, 1913, to Moses Sproull. (Ref. 1765902).

S.W.¼ 17--57--13, West 4th Meridian, patented 12th August, 1913, to Nykola Pyplypon. (Ref. 1677[illegible]),

which latter patent you stated in your letter of the 27th ultimo had not been received in your Office.

In this connection I also beg to call your attention to the copy sent you of my letter of the 5th instant to Mr. Sproull.

Please let me know whether or not the patents for the lands above mentioned, which have been issued to Mr. Wilfrid Unger and Mr. Moses Sproull have been received by you. If not, it is proposed to issue exemplifications thereof under the Great Seal for the purpose of having them filed in your Office.

Sir,

N.W.¼ 20-25-14-W. 4th M.

I beg to inform you that your soldier grant entry for the above described quarter-section is hereby cancelled in Departmental records in view of the declaration of abandonment which you executed on the 9th ultimo. The Soldier Settlement Board have withdrawn their charge in so far as it refers to this quarter-section and the Agent of Dominion Lands at Calgary is, by a copy of this letter, being authorized to carry out cancellation of your entry in his records and to have the land inspected in accordance with the regulations.

According to your statement there are no improvements on this land. You have abandoned this in order that you may convert your patented pre-emption entry into a soldier grant and in support of this you have furnished the special authority of the Soldier Settlement Board to entitle you to take up your pre-emption as a soldier grant and you have also executed a declaration on form No. 32b.

As the evidence on file shows that the duties as performed in connection with your pre-emption entry are sufficient to count should the land be changed to a soldier grant it will not be necessary for you to reconvey the title to this land to the Department and consequently a notation is being made in Departmental records to the effect that the South West quarter of Section 20, Township 25, Range 14, West 4th Meridian stands as your soldier grant entry.

A refund of the amount paid on account of the purchase price will be made to the Soldier Settlement Board in due course.

as possible in the shape of Declinote of Title showing that you have been divested of all interest in your patented homestead and soldier grant and any other land holdings (except town property) which you may have in the said 'Dry Area'. Upon your furnishing this evidence you will be given permission to again enter before the Court and make formal application for entry for the land selected.

I might add that there is no provision under which you can reconvey your land holdings in the 'Dry Area' to the Crown. It will be necessary for you to furnish evidence that you have disposed of all your interest in such lands and that they stand in the name of some other person or persons, but not in the name of the Crown, or in the name of a member of your family.

Should you secure another homestead you would require to perform all the ordinary homestead settlement duties in order to obtain patent. Any land drain or relief indebtedness to this Department would have to be transferred to the new location.

Intended soldier grant.

I beg to acknowledge receipt of your letter of the 2nd instant and in reply regret to inform you that you are not entitled to another soldier grant as you exhausted your right to this privilege when your pre-emption - the [illegible].-8-[illegible]-14-[illegible].4th Meridian was converted into a soldier grant.

It would appear from your letter that you wish to start farming operations in the Peace River District and in this connection I may say that under an amendment made to the Dominion Lands Act in 19[illegible], the privilege of a second free homestead is extended to those settlers who took up homesteads and obtained patent for same prior to the 1st January, 19[illegible], in that is known as the "Dry Area" in southern Saskatchewan and Alberta, i.e., that portion south of the south boundary of Township 31 in the old pre-emption and purchased homestead tract. The main points of the amendment are explained on page 9 of the booklet entitled "Land-Laws".

If you wish to secure the benefits of the amendment you should first of all communicate with the Provincial Authorities at Edmonton giving them full particulars as before your case can be considered by this Department you will require to obtain a Certificate of Approval from the Province. You should address your letter to the Deputy Minister of Agriculture, Edmonton, Alberta.

In the event of your being successful in securing a Certificate of Approval you may then select one vacant and available quarter-section outside the 'Dry Area' as specified in the amendment to the Act and make application to the Agent of Dominion Lands for the district in which the land is located to have it reserved for you. If the Agent is aware of no reason to the contrary he will reserve the land in your favour. You will then require to furnish this Department with satisfactory evidence as soon

as.....

Sir,

With reference to your letter of the 22nd July last, File No. 3756, in relation to the application of Mr. Duncan F. McEwen to purchase Lot numbered 14, Shaftesbury Settlement, I beg to inform you that Mr. McEwen's application may not be granted as, apparently, he is not the registered owner of that lot immediately alongside.

I would point out that, in any event, the land in question is not at present available for sale, having been applied for by Mr. Alexis Letretre before the Treaty Commissioners at the date of the conclusion of Indian Treaty No. 8 in the summer of 1899 and evidence having been submitted to the effect that Mr. Letretre went into occupation in 1898 and subsequently broke three acres.

Under the circumstances it is desired that you take the necessary action to ascertain if Mr. Letretre is in residence on the land and the dates of his actual occupation, together with a statement as to the extent and value of any improvements placed thereon by him. Mr. Letretre if he still claims the said lot should execute a statutory declaration before you, the same to be corroborated by two or more disinterested witnesses cognizant of the facts.

Sir,-

With reference to your application to be permitted to purchase fractional River Lot 16, of Chaffesbury Settlement, I beg to inform you that the Homestead Inspector's report which had been called for in connection therewith has come to hand and it has been decided that upon your having filed here an abstract of title or duplicate certificate of title showing you to be the registered owner of Lot 15 of the said settlement, you may be permitted to purchase said Lot 16 containing 18 acres at the Inspector's valuation of $25.00 an acre.

Either the whole amount of the purchase money should be remitted to the Agent of Dominion Lands, Peace River, to whom a copy of this letter is being sent for his information, on or before the [illegible] proximo, or one-quarter of the amount within that time limit and the balance in three equal annual instalments with interest at the rate of 6% per annum. On any overdue instalments, however, the interest to be charged will be at the rate of 7% per annum.

It will also be necessary for the abstract of title or duplicate certificate of title above referred to, which you may obtain from the Registrar at Edmonton, be filed here on or before the date above set forth, on which payment becomes due.

Your obedient servant,

[illegible]. Bixby, Esq.,

Memorandum

M. G. Cal. Reg. L.D.C.
Carillon, Ingallstown Ext.

Edward J. Gilroy was duly notified in accordance with Mr. Blair's memorandum of the 7th September, 1900, approved by the Deputy Minister, that he might purchase the lot above mentioned at the homestead inspector's valuation of $40.00 on condition that upon the patent being issued he would pay the said amount and obtain the said settlement.

Mr. Gilroy has not availed himself of the privilege and the Agent of Dominion Lands, Lower River, recently forwarded the agreement for sale covering the N.E. quarter of the said settlement from Benjamin Lefebvre in favour of Cecil Bradin Gatenhouse, as assignee of the said Edward J. Gilroy of the same settlement.

It is observed from the agreement of sale that the last payment is to be made on and not before the 1st April next.

The third paragraph of the memorandum above mentioned reads with the application for a free grant of lot 10 in the Village of Carillon, reads as follows -

"I would in this connection remark that Mr. Alexis Lefebvre had previously applied for a free grant of said lot 10, but claim was not being granted however as he had not settlement duties to perform. It is worthy of note in this connection that Mr. Superintendent Lemieux, in his letter of the 1st April, 1901, stated, "The said lot is in the centre of Carillon Settlement, facing the Lake. Lower River Road, and is valued at $40.00 per acre. Thirty Dollars [illegible] per acre. Thirty-five [illegible] Thirty Five Dollars [illegible]."

I.....

I beg to recommend, under the circumstances, that Mr. Sutherland be permitted to purchase the land in question at the rate of $25.00 an acre, letters patent therefor not to be issued until he is in a position to file here evidence that he has become the registered owner of the lot mentioned in the agreement of sale.

tinguished, are entitled to free grants, and until Mr. McCorrister files evidence as to his occupation of land at the date of the extinguishment of the Indian title no steps can be taken in connection with his application for a free grant.

Alex. McCorrister.

Alex. McCorrister, of Peace River Landing, filed a declaration before the Treaty Commissioners in 1899 respecting his claim for a free grant of a parcel of land fronting on the Peace River. No grant has been authorized, however, pending receipt of further evidence in support of his claim and a description of the land by which the parcel applied for can be identified.

Even if a free grant were authorized in favour of Mr. McCorrister there does not seem to be any way in which the warrant could be cancelled and other land granted to him in exchange therefor.

Under the provisions of the Dominion Lands Act the Governor in Council may, upon the extinguishment of the Indian title in any territory or tract of land, make to persons satisfactorily establishing undisturbed occupation of any lands within the said territory or tract at the date of such extinguishment by their own residence or that of their servants, tenants or agents in actual peaceable possession thereof, free grants of the said lands provided that an area not more than equal to a quarter section shall be so granted to any one person, unless there has been cultivation of more than that area.

Henry McCorrister, claim for Military Bounty.

No Warrant of the Minister of Militia in favour of Henry McCorrister has been received here, and I beg to suggest that a report be obtained from the Department of Militia and Defence respecting his claim for Military Bounty.

There is now no authority under which this Department could issue Military Bounty to Mr. McCorrister, even if a Warrant of the Minister of Militia and Defence in his favour were received, as there is no provision in the Statutes under which such action could be taken and special legislation would have to be obtained if it were decided to favourably consider his application.

H. G. McCorrister, claim for free grant.

No declaration was made by Mr. McCorrister before the Treaty Commissioners in 1899 as to the land occupied by him when treaty was concluded, nor does he describe the land for which he applies as a free grant.

Referring to your memorandum of July 24th, on file 1150353 herewith, section 29, tp. 30-25-5, was surveyed by C.C. Fairchild, D.L.S., in 1901, and was resurveyed by E.A. Tipper, D.L.S., in 1914. Neither of these surveyors took a statutory declaration from Mr. Alexander McCorrister nor do their field notes show any improvements on the southeast quarter of section 29.

It is noted that your memorandum as well as the report of the homestead inspector refers to tp. 30-25-5, but the homestead inspector's sketch refers to tp. 30-25-5, and as Mr. Tipper took statutory declarations from J.D. Mulligan and Philip Mulligan for the northwest and southwest quarters respectively of section 20, tp. 30-25-5, it would appear that the latter township is the one in which Mr. McCorrister's improvements are situated.

In accordance with the decision as endorsed on my memorandum of the 19th October, 1915, the Agent of Dominion Lands, Grouard, was advised that as Mr. McCorrister could not be considered as having been in bona fide occupation of the said quarter section at the date of Indian Treaty No. 8 in the summer of 1899, his application could not be favourably considered.

Re claim of T. [illegible] Brick [illegible] free grant of Lot 6, Shaftesbury Settlement, containing [illegible] acres, [illegible] of Henry Robinson.

I [illegible] to return the papers, which you brought to me [illegible] you [illegible] which has been left with you by Mr. A. Patterson, M. L.A., of Grande Prairie.

The Reverend Mr. Robinson submitted evidence before the Half-breed Commission re in 1909 in support of his claim for a free grant of the land he then occupied, which land when subsequently surveyed corresponds to Lot No. 6, Shaftesbury Settlement, containing 50 acres. According to one of the documents now returned to you, Mr. Robinson appears to have sold his interest in this lot to Mr. Thomas Alison Brick [illegible] Valley Logging Co.

Before the claim can be allowed it will be necessary to obtain the authority of the Governor in Council, and if the attached papers are [illegible] official and [illegible] to me the claim will be considered in the usual way.

Re Lot 7, Shaftesbury Settlement, containing [illegible] acres claimed by Mrs. Minnie Tipton.

This lot has not been visited of late years and there is no record of any application therefor having been made before the Half-breed Commission or the Indian Agency and consequently in 1909, year of [illegible] examination [illegible] were made by the Surveyor who surveyed this Settlement, [illegible] from the list furnished by Mr. Daly, D. L. S., the occupation [illegible] Settlement, the name of

Mrs.

Mrs. Eaton appears as the occupant of the said Lot No.7.

It is observed that Mrs. Eaton bases her claim upon an assignment from Mr. Pierre Brick, but no evidence has been submitted to show whether or not the latter occupied this lot at the time the Indian Treaty was concluded. Before the Department can take any action in this case, it will be necessary to have the claim thoroughly investigated by the Local Agent of Dominion Lands, before whom Mrs. Eaton should appear with her witnesses and give evidence.

If the attached papers are made official and returned to me, the matter will be attended to in the usual way.

Dear Sir

I am sending you a copy of the Lieut's letter received from Hon Sifton Agent of Dominion Lands Leonard August 17th 1911 No 2 letter from Mr Buck dated June 12th 1911.

Leonard Aug 17th 1911 Sir, In reply to your letter of July 7th last I herewith enclose a copy of a quit claim deed would you be good enough to sign the same if possible before two
[illegible] witnesses as He could also witness Mrs Eaton's signature when she signs [illegible]. I understand that you were living on this property lands (sic) & Duplessis Settlement at the time of the first Treaty and that you made a declaration before the Local Commissioners to that effect if so you would be entitled to the Patent of this lot as a free grant but as you sell you rights and it [illegible] would appear to be sold as a [illegible] lot. If you will sign the enclosed Deeds we will be able to have the Patent issued to her direct. Otherwise you would have to apply for the Patent in your own name

and the Commissioner of Crown Lands

to [illegible] Claims Indian reserve on the Pine River by survey and we have nothing to do with any land there according to Sec 76 Dul Sec C of the Dominion Lands Act any one in actual peaceable possession of a piece of land at the time of the first Treaty 1899 would be entitled to the patent of the same as a free grant provided there were no more than 160 acres. That is in Athabasca and Peace River.

Your obedient servant
P. Jenkins
Agent of Dominion Lands

I have not seen a map showing the plan of the Shaftesbury settlement and therefore could not say which lot I was living on at the time of the Treaty. It appears from the above that Mrs Eaton is living on lot 7 and that I was living on this land. However as I have not sold any land or property to Mrs Eaton I cannot therefore sign any quit claim deed on her land, as I call it Mr A T Reid.

MEMORANDUM -

Referring to your memorandum of August 30th giving a memorandum from J.M. Caldwell dated July 27th, on file 61707 herewith, there is nothing in our records to show definitely whether or not the land described in Mr. Henry Rowland's declaration before Commissioner Walker included lot 7 in addition to lot 6 of Shaftesbury settlement.

This settlement was surveyed by Mr. A.W. Ely, D.L.S., in 1885. We did not take statutory declarations from any of the settlers. A copy of a list of claimants to the various lots, supplied by Mr. Ely, is herewith.

...cludes Lot number 7. This claim, however, is established.

Mr. Homestead Inspector Jervillen in a report bearing date the 17th May last states:

"In the strength of the declarations made by Mr. J. Allan Cril and Mr. William Sweet two of the most respectable citizens of the Shaftesbury Settlement and Mrs. Paton being one of the oldest settlers in this district and she is my opinion would not claim this land unless she thought she had a legal right to it. I, therefore, recommend that Mrs. Jessie Paton be granted patent for Lot No. 7 Shaftesbury Settlement."

There appears to be no other claim to the said Lot and, in view of the evidence submitted, I beg to recommend that the authority of the Governor in Council be obtained sanctioning a grant of the same to Mrs. Paton.

Ottawa, 5th of March, 1910.

Sir:,

I am directed to acknowledge receipt of your letter of the 18th of Jan., enclosing an application of Fred B. Mooney to purchase Lot 17, Shaftsbury Settlement, and in reply I beg to say that these lots are not open for sale.

In this connection I am further to add, that it is not understood in this Department why you transmitted here the above application, as you had already granted the homestead entry to Mr. Stanley Ibbitson for this lot on the 5th of Jan. 1910, as stated in your return of the 8th of that month.

It is also apparent that this lot is the same lot as was claimed by Mr. Benjamin Thomas in his declaration to the Treaty Commissioner in 1899. I have therefore to request that you will make an inspection and full report in connection with the claimants to this Lot 17.

According to the declaration made by Mr. Thomas, the land he claims is situated between the creek and Lot 18. This would coincide with Lot 17!

Your obedient servant,

The Agent of Dominion Land, Assistant Secretary.

Brouard, Alberta.

According to the recommendation of the Agent, under date of 9th January last, lot 19 Shaftsbury should be granted free to Benjamin Thomas. The Surveyor General stated that the land described in Thomas's declaration before the N. B. Commission appeared to correspond with lot 19, but Mr. Sheppard thinks that it rather corresponds with lot 17 - Hence his letter of the 5th inst. of which a copy was put on this file. Lot 19 Shaftsbury was entered as a homestead on the 15th January last by one Stanley Shotton, while lot 19 stands vacant. [illegible]

Ottawa 24 Feb 1912. 28th February, 1912.

MEMORANDUM:-

Re the application of Felix Akinam for a free grant of Lot No.11, Peace River Landing, and the application on behalf of the Royal North West Mounted Police, for a reserve of Lot No.12 of the same Settlement, for Police purposes.

I beg to submit, for consideration and decision, the applications above referred to, the lands being clear according to the records of this Branch.

Mr. Akinam, in support of his claim, refers the Department to the statutory declaration executed by him, before the Half breed Commissioners in the Summer of 1899.

Mr. Akinam would appear, under the provisions of sub-section (c) of Section 76 of the Dominion Lands Act, to be entitled to a free grant of the land applied for in virtue of his occupation thereof at the time of the conclusion of Treaty No.8, in the Summer of 1899, and I beg to recommend that the necessary authority of the Governor in Council be obtained to the grant being made.

According to the said statutory declaration, it appears that Police Barracks have been erected on Lot No.11, and, in this connection, enquiry was made of the Comptroller of the Royal North West Mounted Police as to whether there would be any objection to a grant of such land being made to Mr. Akinam. In reply an application was received to have Lot No.12 reserved for Police purposes, and I beg to recommend that the same be reserved accordingly during pleasure.

Please see sketch underneath (marked) showing the said Lots Nos.11 and 12. As will be observed the former contains an area of 88.70 acres and the latter 39.5 acres

Dear Sirs:- Re Lot 11, Peace River Ldg. Settlement.

In a telegram dated the 29th of December, 1911, from the Department of the Interior, you inform us that you have the title to the above lot under consideration and that the patent to the same will be sent direct to the Land Titles Office. The patent, we understand, is to ~~issued~~ issued to Felix Akinam. On making search at the Land Titles Office, we find that the patent has not yet issued, and as a quit claim deed has been handed to us in which Felix Akinam quits all his right, title and interest to one Philip D. Walker, if we forward this quit claim deed, would you issue the patent to the said Walker, or would it be necessary for the patent to issue to the said Akinam and for us to secure a transfer? It would be very much simpler for us to place the quit claim deed in your hands than to get a transfer from Akinam, who lives away in the North, if you issue patents in this way.

MEMORANDUM:— Re application of Mr. F. L. Walker, of Athabasca Landing, for patent for part of Lot 11, Peace River Landing.

It appears to be your claim Agent, that Mr. Walker can be called at your office promptly, of the contents; 45 acres of Lot 11, Peace River Landing settlement, from Felix Chas. Ackinam, I beg to say that a memorandum to Council was prepared on the 16th April last, recommending a free grant of the said lot, containing 45.7 acres, to Felix Ackinam, by virtue of his occupation of the land at the time within Treaty No. 8 was concluded in 1899, but the Memorandum has not yet been signed by the Minister, and is still on file in this case herewith.

The plat filed by Mr. Walker is satisfactory and there appears to be no objection to the Department granting it, and the Memorandum to Council should be amended accordingly so that the patent may be issued for the admitted 45 acres of the said lot in Mr. Walker's name and for the remainder of the lot in the name of the original claimant.

I explained to Mr. Walker that if this course was followed a grant fee of $10.00 would have to be remitted by him, as it would be necessary to issue two patents in this case instead of one. Thereupon he remitted to the Department the necessary patent fee, (if the application, of course, is not allowed the patent fee will be refunded to him.

I beg to return you, herewith, your reference 5305, respecting the application of the Fence River Navigation Company Limited, to acquire a piece of land along the water front for wharfage and to say that the parcel applied for is on the road allowance running along the river on the west side of the north half of lot 11 of Fence River Landing Settlement, which north half has been patented to F. Ackinson and he has probably had the land subdivided into lots and blocks. In any event, the parcel applied for being on the road allowance, it cannot be dealt with by this department and the Company should apply to the Provincial Government, as this road allowance was transferred to the Province by the fact of the filing of the plan of the settlement.

SCHOOL LANDS BRANCH

OTTAWA. August 26th, 1924.

Sir, -

By Order-in-Council bearing date of the 11th March 1921 that portion of the South half of Section 29, Township 85, Range 21, West of the 5th Meridian lying between the Peace River and the Canada Central Railway, and comprising an area of 16.31 acres, was reserved for the Royal Canadian Mounted Police, during the pleasure of the Minister of the Interior, for the purpose of a pasture in connection with the Mounted Police barracks erected on Lot No. 12 adjoining.

It would appear that the land which lies close to the Townsite of Peace River has several buildings erected thereon, and it is desired by the Department to know as nearly as possible the exact location of such buildings and the character and valuation thereof, and also to ascertain whether the buildings and land will be required for further use by the police. It is also desired to know in what way this tract of land is connected with the Town of Peace River and at what distance therefrom.

I am therefore directed to forward you herewith the attached plan and to instruct you to have at your earliest convenience one of your officials report on the area affected. The official detailed for the duty should call on Sergeant Davis of the Royal Canadian Mounted Police, and consult with him as to the requirements of the police for the future in so far as this tract of land and the buildings are concerned, and secure from him any information possible, which may be of value to the Department with respect to the matter.

It is also desired that the official making the inspection should show on the plan distinctly the location of the various buildings and furnish a separate report in regard to each building giving full particulars in regard thereto as to size, character, valuation and general lay out.

Would you kindly place this matter in the hands of one of your officials with instructions to make the necessary inspection and report at his earliest convenience.

ROUGH SKETCH of BUILDINGS ON POLICE RESERVE PEACE RIVER

PEACE RIVER DETACHMENT
August 4th 1924.

To the Officer Commanding
"D" Division

Sir,

POLICE RESERVE AND BUILDINGS.
Peace River.
.....

I have the honour to submit herewith a report re-selection of suitable buildings from those at present on the Police Reserve here, to be retained for the maintenance of a small police detachment; the others to be turned over to the Department of the Interior.

I have drawn a rough sketch which is attached, and which shows the approximate locations of each of the buildings on the reserve.

It will be seen that the four buildings mentioned by the Commissioner are all located together on the south side of the barrack square in a very convenient and suitable position for our purposes, are easily fenced and separated from the other buildings. and I would respectfully concur in the Commissioner's suggestion that they be retained.

I have shown on the sketch where I would suggest that the dividing line be located, this will take in about 10 feet of the south side of the lawn, but it would be necessary to do this(if the line is to be straight) so as to give us free access to the door and left on the north end of the stable.

I would also respectfully suggest that the small parcel of land lying directly south of the proposed dividing line, as far as the first fence south, approximately 250 ft, and between the roadway and the pasture fence, approximately 275 ft, be also retained.

This portion of land has a frontage on the river road and is already fenced on three sides, it is level and is clear of bush and would be most suitable for a corral or small pasture for one or two horses, if required, the area would be a little less than two acres.

If it is decided to take in this land the only new fencing required to completely enclose the police property would be that of the dividing line as the other three sides are already fenced.

The buildings referred to in this report are shown on Photogram No.3 which was forwarded in with my letter of July 31st, under heading "Department Collection of Photographs".

When the Surveyor arrives I will give him every assistance and will immediately report when he has completed his Survey.

I have the honour to be,
Sir,
Your obedient Servant.

Mr Cuttle,

Re Lot 12 and pasture (approx. [illegible] acres) included in R.C.M.P. Reservation at Peace River, adjoining Town.

I visited this reserve on the 4th instant and after careful inspection of the grounds and buildings I am in a position to furnish the following information:-

The buildings are located 450 feet north of the south-west corner post of Lot # 12. A description of the separate structures which are 10 in number, is as below set forth,-

#1- Superintendent's house, now used by Sgt. Davis, 30 X 30, lumber, 2 full stories and cement basement, in good state of repair, equipped with economy furnace, water system and drainage to cess pool. This building cost at least $4000 to erect but I would not place present value to be obtained through sale at over $2000; # 2- Police Office containing 3 rooms and full basement with furnace, all of drop siding finish , good building, size approx. 30 X 24, value $1500. # 3- Stable, lumber, 50 X 28, stalls on the ground floor and loft above wall full length of building, in good state, value $1200. # 4- Drive shed, 28 x 15, $200. # 5- Barrick Room building, lumber, cement foundation and cellar, furnace, pumping system in basement connected up with other buildings, also drainage to cess pool(Air pressure operated by gass engine not used by Davis as he is not a mechanic), the ground floor contains kitchen, diningroom and pantry. large cellroom. size of building 44 X 40, 2nd floor - 2 large rooms , 2 bed rooms separate bathroom and hallway to stairs, value $4500. # 6- Inspectors quarters, now vacant, this is a replica of house # 1 except that it is not finished as well, value $1900. # 7 . Sargent-Major's residence, now vacant, of logs, sheeted with siding outside, plastered inside, with no basement, 24 X 18, this could not be moved, value $200. # 8- Carpenter shop , logs, - # 9- Icehouse, of logs , # 10 Latrene, or waterclosets, these buildings are old log structures and have very small value. Buildings #s 1 to 6 inclusive, comprise the new Post built in 1916 of modern type and estimated cost of $22000. #s 7 to 10 comprise the old original post built in 1895.

After taking the matter of requirements, by the present Detachment of R.C.M.P. up with Inspector Montizambert here, and also with Sgt. Davies at Peace River, I learn that the Police require Buildings #s 1, 2, 3 and 4 and an enclosure approximately 295 feet by 275 they ask for 250 feet frontage from the north side of building # 1, the same to run southerly to a point on the road allowance 230 feet from the iron post located at the South-western corner of Lot # 12, please see rough sketch attached showing approximate location and size of area required, they also want a strip of land 35 feet wide as an easement or road, adjoining #1 and 2 on the north, to allow them access to stable door on the north.

Mr McDonnell asks for house # 6, Inspector's quarters now vacant, he is compelled to leave the H.B.Coy's house he now occupies to make room for their own Agent. I may mention that the Police were opposed to Magistrate getting possession of this building- this was on the orders of Commissioner Starnes, Ottawa, the objection seems to be that he had a large family and his boy of 16 runs his Ford car and altogether they rack a place up considerably and the police think it would be a mistake to let them get into possessory rights , they are strong on this latter point. The Barracks building . # 5, would make a good public building- say for a land office, as the Government will never get their money out of it by sale, at least under present conditions . their being practically no demand for good property.

Respectfully,

Lot 12, Peace River Landing Settlement.

For some time correspondence has been carried on with the Royal Canadian Mounted Police with respect to their desire to release certain of their holdings at Peace River. By a misunderstanding it was thought that their request referred to a portion of Section 29, lying South of Lot 12, reserved for them by Order-in-Council of the 3rd of March, 1921, P.C. 89-725, whereas the request was intended to affect Lot 12 reserved by Order-in-Council of the 6th April, 1912, P.C. 1016, File 2150373 herewith.

Accordingly, the correspondence has been removed from School Lands Files No. 151001 and 153829 and is forwarded you, herewith, for official attachment to the File referring to Lot 12.

Attached to Mr. Wright's report of the 4th instant is a sketch showing Lot 12 and the position of the buildings thereon, also, the metes and bounds of the area which the Police desire to retain.

Would you kindly prepare and submit, in order that it may be forwarded to Colonel Starnes for approval, a memorandum to Council providing for the release of Lot 12 with the exception of the area to be retained, as noted above.

By Order in Council dated the 25th April, 1912 (P.C. 1016), Lot 12, Peace River Landing Settlement, in the Province of Alberta, containing 39.50 acres more or less, was set aside and appropriated during pleasure for the purposes of the Royal North West Mounted Police.

The Commissioner of the Royal Canadian Mounted Police now advises the Department that only a certain small portion of the lot, comprising 1.80 acres more or less, is now required for the use of the police detachment at this point.

Accordingly, it is recommended that the remaining land in the lot, embracing 37.70 acres more or less, be withdrawn from the reservation as effected by the said Order in Council of the 25th April, 1912, in order that it may be available for disposal under the provisions of the Dominion Lands Act.

MEMORANDUM

Mr. Hume.

Lot 12, Peace River Landing Settlement.

This lot, containing an area of 39.50 acres, was formerly reserved for a Police Reserve by Order-in-Council.

Later the Royal Canadian Mounted Police intimated that the whole area was not required for police purposes and an Order-in-Council has been passed relinquishing 37.70 acres, more or less, of this lot. They only require 1.80 acres for their purposes. There is a sketch on file (marked) showing the area retained, coloured pink. There are several buildings located on the part withdrawn from the reserve, and Mr. Cuttle was instructed to have an official take up this matter with the Sergeant of the R.C.M.P. stationed here and furnish a report. In his report of the 4th September last, Mr. Wright has gone into the matter fully his report is on file hereunder, (marked). The buildings on this consist of as follows: (See sketch attached to his report with buildings numbered.)

5. Barrack room building, lumber, 44 X 40, value $4500.00.
6. Inspector's quarters, about 30 X 30, value $1800.00.
7. Sgt. Major's residence, now vacant, constructed of logs, not fit to be moved, value $200.00.
8. 9 and 10. These are old buildings and, together with No. 7 comprise the original post built in 1895. They are not of much value.

Mr. A.E.C.McDonell, the Police Magistrate at Peace River, desires the use of one of these buildings, and Mr. Wright states that the building asked for by him is No. 6, the Inspector's quarters, now vacant. Mr. McDonell is compelled to leave the Hudson Bay Company's house he now occupies to make room for their own Agent. The Police were opposed to the Magistrate getting possession of this building on the orders of the Commissioner Starnes of Ottawa. The objection was that he has a large family and his boy of sixteen runs his Ford car and together they wreck a place considerably and the police think it would be a mistake to let them get into possessory rights they are strong on this latter point. The barracks building No. 8, would make a good public building as the Government never get their money out of it by sale, at least under present conditions, there being practically no demand for good

Kindly state what disposition should be made of this lot, particularly in view of the value of the buildings thereon.

MEMORANDUM:

Mr. Hume.

Lot 12, Peace River Landing
Settlement -- 39.50 acres.

The Royal Canadian Mounted Police finding they require only 1.80 acres have revested, by Order-in-Council, the balance of 37.70 acres in this Department.

Several buildings are on the land which Mr. Wright of Mr. Cuttle's office reports to consist of as follows (see sketch attached to Mr. Wright's report):

5. Barrack Room building, lumber, 44 X 40, Value $4500.00.
6. Inspector's quarters, about 30 X 30, Value $1800.00.
7. Sgt. Major's residence, now vacant, constructed of logs, not fit to be moved, Value $200.00.
8. 9 and 10. These are old buildings and, together with No. 7, comprise the original post built in 1895. They are not of much value.

Mr. A.E.C. McDonell, the Police Magistrate at Peace River, is anxious to have the use of one of these buildings,(reported by Mr. Wright as No. 6), the Inspector's quarters, now vacant as Mr. McDonell is compelled to leave the Hudson's Bay Company's house he is now occupying in order to make room for their Agent. The Royal Canadian Mounted Police are opposed to Mr. McDonell's obtaining the use of this building in view of the fact that he has a large family and they are afraid that his children will wreck the place.

The question of the disposition of this lot was submitted by Mr. MacLeod on the 30th January, last, and the Assistant Commissioner under date of the 5th February instructed that this matter should again be brought up at this time.

Kindly advise if action in regard to the disposition of the lot is to be now taken.

ORDNANCE, ADMIRALTY AND RAILWAY LANDS BRANCH

OTTAWA 14th May, 1925.

MEMORANDUM:

W. W. Cory, Esq., C.M.G.,
Deputy Minister,

Re River Lot 12 Peace River Settlement.

With respect to the disposition of the above mentioned lot which was formerly a Royal Canadian Mounted Police station, I beg to attach herewith a plan upon which is indicated the business section of the
Encl. town of Peace River and what is stated to be the better residential section. It will be noticed that the said lot 12 adjoins this better residential section immediately on the south.

I would suggest, therefore, that a subdivision of river lot 12 be made so as that incidently each house thereon would be worked into the general subdivision scheme. The immediate question for consideration however, is the disposal of the buildings on this said river lot 12 and I would suggest, therefore, that these buildings be disposed of upon a somewhat similar basis to the plan adopted by the C.P.Railway Company in the disposition of their lots on Shaughnessy Heights, Vancouver. That is the sale of each building, together with the subdivision lot upon which it stands to be sold at the valuation to be placed thereon, the initial payment being $100.00 in cash and the annual rental to be six per cent of the valuation price still due by the purchaser, this rental to be paid in advance. Also that at least $100.00 every two years be paid on account of principal. This amount would, I think, protect us on depreciation and at the same time it would be an inducement for the purchaser to take good care of the property. If the above recommendation meets with your approval I would suggest that the Agent at Peace River should immediately send a valuation, together with a detailed description, of each of the buildings on this river lot no. 12, and that he be instructed to arrange for the protection of these houses until they have been sold.

One building which was formerly the main barrack building may be rather too large for occupation by an individual and, therefore, it is possible that an endeavour should be made to sell this building to the community in which it is situated for school purposes, and I would also recommend that the Agent be requested to report in this connection.

Respectfully submitted,

Superintendent.

OTTAWA. 12th June, 1925.

COMMISSIONER

MEMORANDUM:

Mr. Hume.

Lot 12, Peace River Landing Settlement -- 39.50 acres.

The Royal Canadian Mounted Police finding they require only 1.80 acres have revested, by Order-in-Council, the balance of 37.70 acres in this Department.

Several buildings are on the land which Mr. Wright of Mr. Cuttle's office reports to consist of as follows (see sketch attached to Mr. Wright's report):

5. Barrack Room building, lumber, 44 X 40, Value $4500.00.
6. Inspector's quarters, about 30 X 30, Value $1800.00.
7. Sgt. Major's residence, now vacant, constructed of logs, not fit to be moved, Value $200.00.
8, 9 and 10. These are old buildings and, together with No. 7, comprise the original post built in 1895. They are not of much value.

Mr. A.E.C. McDonell, the Police Magistrate at Peace River, is anxious to have the use of one of these buildings, (reported by Mr. Wright as No. 6), the Inspector's quarters, now vacant as Mr. McDonell is compelled to leave the Hudson's Bay Company's house he is now occupying in order to make room for their Agent. The Royal Canadian Mounted Police are opposed to Mr. McDonell's obtaining the use of this building in view of the fact that he has a large family and they are afraid that his children will wreck the place.

The question of the disposition of this lot was submitted by Mr. MacLeod on the 30th January, last, and attention again called to the matter on the 3rd April last, when Acting Commissioner asked that it be again brought to his attention at this time.

Under date of the 14th ultimo the Superintendent of the Ordnance, Admiralty and Railway lands Branch submitted a suggestion that in view of the

position.....

position of this lot being adjacent to the residential section of the Peace River settlement that it be sub-divided and the improvements worked into the general sub-division scheme.

Mr. Dunne also suggest that the sale of the lots with the improvements be made somewhat on a similar basis to the plan used by the C.P.R. Company in the disposition of their lots on Shaughnessy Heights, Vancouver. Mr. Dunne's memorandum with details marked on file hereunder.

Mr. Fitzsimons, Assistant Superintendent of the Ordnance Lands Branch also suggests ~~that the matter of~~ having the Agent of Dominion Lands at Peace River allowed the use of one of the houses on this lot at a nominal rental in order that there might be some responsible person living on the land with the view that any depreciation in the value of the property through vandalism, will be minimized.

Kindly advise if action in regard to the disposition of the lot is to be now taken.

Re - Lot 12, Peace River
Landing Settlement.

There are several matters receiving consideration by the Department in connection with this property, and pending a satisfactory arrangement in connection therewith it is not considered advisable to take any action at the present time with a view to disposition of the land.

Accordingly, would you kindly note the matter to be again brought forward for attention, say, on or about the 1st proximo.

MEMORANDUM:

Mr. Jory

Re Lot No. 12 Peace River Settlement.

On the 19th ultimo I received a memorandum from Mr. Fetherstonhaugh of the Ordnance, Admiralty & Railway Lands Branch, advising that the Royal Canadian Mounted Police were desirous of releasing to the Department all their holdings in this lot but were anxious before doing so to ascertain if the Department was prepared to place somebody in charge to take care of the buildings and their improvements on the land. The memorandum suggested that possibly our Agent at that point might consider occupying one of the residences at a nominal rental and accept the responsibility of the care of the other buildings.

I wrote Mr. Cuttle on the 20th ultimo asking him to look over the property and inquire if the Agent of Dominion Lands or a responsible member of his staff would be willing to go into residence in one of the buildings and as a resident on the property, take care of the other improvements in the way of buildings thereon. I also asked him as to the possibility of locating the Land Office in one of the buildings in question.

I am in receipt of his report, dated 5th instant, in which he states that he visited Peace River, and along with the Agent, inspected all the buildings and property. He also states that the Agent is willing to move into the residence at present occupied by the Sergeant in charge of the property. He informs me that rents at Peace River range from $10.00 to $15.00 per month and he suggests that the Agent be allowed to occupy the building at a nominal rental of $5.00 per month, on condition that he accepts the responsibility of taking care of the other buildings and property on the Lot.

With respect to the Land Office, he reports that the first building in the Reserve, while an old building, would make the best quarters for the office and would be quite suitable with certain changes, which would cost about $[illegible]. He stated that it lies about one half mile from the business portion of the town and he considers that the office could be moved to the buildings without causing any inconvenience to people transacting business with the Department and would make a splendid Land Office.

The

The Department is at present paying rental at the rate of $80.00 per month. The lease is on a month to month basis and I presume can be cancelled on thirty days' notice.

In view of this report, I would recommend that the residence in question be rented to the Agent at the rate of $5.00 per month, on the condition that he assume responsibility for the care of the balance of the property and improvements thereon, and also that the necessary action be taken for the cancellation of the lease of the present office premises at Peace River and that Mr. Cuttle be instructed to have the necessary repairs made to the building in question, and for the removal of the Dominion Lands Office thereto at the earliest convenient date.

If you approve and will return the papers to me, I will have the necessary action taken.

Acting Commissioner.

NOTE: The recommendations herein I assume will depend on the final action as to the release of the lands by the Royal Canadian Mounted Police in accordance with their proposal.

Re River Lot No. 12, Prince Rupert Settlement.

With reference to the memorandum of the 4th instant to you from Mr. Mathewson, I beg to say that it is a satisfactory arrangement which has been effected so that the Agent of Dominion Lands at Prince Rupert will occupy one of the houses and the Land Office will be located in the first building on this River Lot No. 12. The nominal charge of rental to the Agent is also satisfactory in view of the fact that he will assume responsibility for the care of the balance of the property and the buildings situated thereon.

I would recommend, therefore, that the Agent be instructed to have both the houses to which it is located by the Sergeant of the Royal Canadian Mounted Police and that the Agent thereafter have the care of the whole property.

Respectfully submitted.

Sir,

Re Police Quarters and Buildings,
Peace River, Alberta.

You will remember that by Order-in-Council of the 17th of November, 1914, P.C., 1951, and Y.O.in.C. 1, a whole of the Mounted Police Reserve at Peace River, with the exception of 1.20 acres was withdrawn for disposition.

You will also probably remember that all the buildings were transferred to your Department, with the land in question, with the exception of one block for the Non-Commissioned Officer, the stable and transport shed and the office building.

No part required for the Mounted Police is now being occupied and I should be much obliged if you could kindly let me know the approximate date when your Department will be able to take over, permanently, the buildings transferred to you. My reason for asking this is that if the transfer is to take place within the near future, I propose to close the Police Settlement there, but do not feel disposed to do this until I know that the buildings have been taken over by an official of your Department.

May I hear from you in this matter in the near future?

I have the honour to be,
Sir,
Your obedient servant,

Commissioner.

OFFICE OF THE COMMISSIONER

REF No. 3.585-36

OTTAWA,

Sept. 16th 1925.

Dear Mr Harvie,

As promised you this morning, I enclose a rough sketch of the Police Post at Peace River showing the approximate location of the buildings there.

As explained to you this morning, the red dotted line marked "Proposed dividing line" denotes a permanent wire fence which has been recently erected. All the property to the right of this dividing line, looking at the sketch, is what we still require, and is, I believe, the area of 1.80 acres, as mentioned in Order-in-Council P.C.1981 of the 17th of November, 192 , being part of Lot 12 of the Peace River Settlement. The area to the left of the dividing line is what we desire to relinquish, and also the pasture referred to in Order-in-Council P.C. 1976 of the 17th of November, 1924, containing 15.31 acres.

Yours very truly,

Commissioner.

In connection with the matter of the removal of the Land Office, it has been decided that no action in that regard will be taken at the present time, but possibly might be considered along the line of your suggestion at a later date.

I would be pleased if you would take the matter up immediately with the Agent and advise what arrangements can be made

Yours sincerely,

Assistant Commissioner

MR. B. H. SCOTT.

Ottawa, September 25rd, 1925.

Dear Sir:- Re Lot No. 12
Peace River Settlement

With reference to previous correspondence in connection with the above matter, I beg to say it was thought that the Royal Canadian Mounted Police desired to turn over all their holdings to the Department but it is now found that such is not the fact and that it is their intention to retain the portion set aside for them by Order-in-Council of the 17th November last, P.C. No.1981, a copy of which is attached hereto. This area is shown, approximately, on a plan attached

From the plan you will see, therefore, that the Department is now in possession of the part of the Lot lying to the left of the red dividing line on which there are six buildings as shown on the plan, and it is desirable to ascertain if the Agent will occupy one of these buildings at a rental of $5.00 per month.

In this connection, there is one building shown as Inspector's quarters which is, I understand, a duplicate of the house in which Sergeant Davies is located but not quite so well finished. This might be suitable for the Agent's purposes and arrangements might be made, if satisfactory to him on a basis of rental as stated, on the understanding that he will be responsible for the care of the balance of the buildings on the part of the Lot belonging to the Department.

Dear Sir:- Property of Lot 10
Peace River Settlement

In reference to your communication, file and sketch dealing with the property recently taken over from the Royal Canadian Mounted Police, I beg to inform you that I have dealt with the matter very carefully, and I have come to the conclusion that in view of the fact that the Land Office is not being moved I do not care to occupy one of the buildings.

Providing the Department insist that I occupy the building which was considered suitable for Land Office accommodation I could only do so on the following conditions:

That the Department supply coal for heating the building (16 to 18 tons of coal necessary) the plastering and furnace overhauled. The house should be calsomined and painted throughout. You will remember this house was not in as good shape as the building occupied by the Police Sergeant

As these buildings are situated some little distance from [illegible] I consider the most economical way would be for the Department to make arrangements with the R.C.M.P. to have their man in charge of the detachment here look after the buildings which are to be left for a much smaller remuneration than he [illegible] a year.

I attach herewith your file as requested.

Re Lot 12, Peace River Settlement

With respect to the matter of the care of the buildings on the part of the above Lot taken over from the Royal Canadian Mounted Police and the proposal that the Agent of Dominion Lands at Peace River should occupy one of the buildings at a nominal rental and be responsible in connection with the care of that and the other buildings, I beg to enclose herewith a copy of a letter received from Mr. Cuttle, dated the 5th instant, in regard to the matter, attached to which is a copy of the Agent's letter to him, dated 30th ultimo.

From this you will see that the proposal is not satisfactory in view of the fact that the building proposed to be occupied is not now available for the Agent, having been retained by the Police.

In view of the lateness of the season, I think it will be advisable to make an arrangement with the Royal Canadian Mounted Police to have oversight over the buildings on the property in the meantime pending some development with respect to their disposition.

NOTE.

Re - Lot 12, Peace River Settlement.

The matter of the above Lot and the buildings thereon was discussed by me with Mr. Cruickshank, the Agent of Dominion Lands at Peace River, while he was in Ottawa recently.

He advises me that the buildings on the land are of considerable value and are being taken care of at the present time by the police officer in charge of the buildings and land adjoining still held by the Police.

He states that satisfactory disposition of the buildings by way of sale could not be made at the present time and he thinks the only thing to do is to allow them to remain under the care of the Police for the present, pending developments.

With respect to the vacant portion of the Lot, he states there is some grazing thereon and possibly a small revenue might be derived by its disposition for that purpose and that if the Department so desires he could possibly arrange for satisfactory rental terms if the matter is placed in his hands for that purpose.

My Dear Mr. Cory,-

In August 1916, I made application to the Hon. Charles Stewart, to lease the Officer's Quarters, formerly occupied by the N.W.M.P. at Lesser River; taken over by your Department in September 1914, I was unable to procure that quarters at that time, as your Department had not the information required.

Army lease for the premises now Coté's home, which I am now occupying, will expire on the first of August 1917. I would respectfully request that I be permitted to occupy said quarters from the 1st of August 1917, either by purchase with sufficient ground and land for horses, or lease.

I trust the Department will grant my request. Anything you can do in the matter will be greatly appreciated.

However, on account of the isolated position of this property, it would seem that this is a case which should be handled to best advantage by the local Agent of Dominion Lands. You will remember that in the fall of 1925 there was a proposal that the Agent of Dominion Lands should occupy one of the buildings on this property at a nominal rental and be responsible for the care of the other buildings, and that he should incidentally endeavour to secure a satisfactory rental of the other buildings and a lease of the balance of the property at a fair amount of rental. The agent, T. Cruickshank, at Peace River, however, stated in a letter to the Superintendent of Western Land Agencies that because the land office was not being moved to this property, he did not care to occupy one of the other buildings. He, however, stated that if the Department insisted that he occupy one of the buildings that he would do so only on the following conditions, that the Department supply the coal for heating the building (15 to 18 tons of coal necessary), the plastering and furnace to be overhauled and the house to be calcimined and painted throughout. At the end of Mr. Cruickshank's letter he stated:- "As these buildings are situated some distance from town I consider the most economical way would be for the Department to make arrangements for the R.C.M.P. to have their man in charge of the detachment here look after the buildings which could be done for a much smaller remuneration than by hiring a man here". Of course it was stated by Colonel Starnes that before his Department would turn this property over to the Department of the Interior, it would want to see that the buildings were occupied or properly cared for. If we have no occupant for these buildings, then, of course, it would be desirable that the property remain under the control of the R.C.M.P. in the meantime.

As the new season is just opening out it would seem advisable that a further report be obtained from the agent at Peace River before any further consideration is given to the disposal of this property.

Respectfully submitted,

Dear Sir,

It is proposed to transfer the former Police Barracks Reserve at Peace River to this Branch for disposal and it was thought that this property could be handled to best advantage by the local Agent of Dominion Lands, and with that idea in view it was proposed to him that he should move into the best residence on this property and keep a supervision over the balance of the property. It was also thought that possibly the land office might be conducted in the main barrack building instead of where it is at present doing business in the Town of Peace River. However at the time this proposal was made, about two years ago, to the local Agent he raised certain objections which at that time were considered sufficient to make it advisable that the whole matter be left in abeyance for a time.

We are now in receipt of an application from Mr. A. E. C. McDonell, Police Magistrate, requesting that he be permitted to occupy one of these buildings through lease or purchase, but upon a similar application by him about two years ago there were certain objections raised by the Royal Canadian Mounted Police authorities owing to the fact that it was thought that his children would be careless about the house and would probably wreck the buildings. Mr. McDonell has been advised in answer to his last application that a report will be secured regarding this whole matter and he will be advised in due course.

It is desired, therefore, that you should look into this matter when you are at Peace River on inspection work and make a report upon the whole situation with respect to the disposal of the property, the possible occupation by the land agent, the possible moving of the land office to that property and also the application by Mr. A. MEMORANDUM:

J. [illegible], Esq., C.M.G.
Deputy Minister.

Re Old Police Buildings,
Peace River.

On the 27th instant the Acting Superintendent of Western Agencies was wired for a report on Mr. McDonnell's application to lease for residence purposes one or more of the old R.C.M.Police buildings at Peace River, now under the control of this Department. In Mr. Martin's telegram in reply, it is stated that there is no objection seen to permission being granted Mr. McDonnell, on certain conditions, but he states a report would be mailed to-day.

Although Mr. McDonnell was pressing for a reply stating that he had to vacate his present premises on the 1st September it is recommended in view of the objections expressed formerly to Mr. McDonnell's family occupying the property, that the matter be held in abeyance till the Agent's report is received.

Respectfully submitted,

August-2[illegible]-1927.

Sir;-

Yours of the 7th May last re Mounted Police barracks Reserve, Peace River. I beg to say I have considered your request from all angles, and I believe at the present time it would not be wise to transfer the Land Office to this property. The distance from the main part of the Town would be one mile.

Regarding disposal of the property, I might say that if it were possible it would be wise to do so.

Re the occupation of one of the residences by the Land Agent, I might say he is the owner of a bungalow closer to his work, and feels the distance too great to go to work.

I see no reason adverse to letting A. W. C. McDonell occupy one of the houses, providing care and protection is given the same, as well as all other buildings on the grounds. The family of the applicant are somewhat grown, and I fear no destruction on their part. I would make this recommendation.

MEMORANDUM:

W.W.Cory, Esq., C.M.G.
Deputy Minister.

Re Old Police Buildings,
Peace River.

In reference to Mr. A.E.C.McDonnell's application to occupy one of the above buildings I have to report as follows:-

In 1924 Mr. B.H.Wright reported that Mr. McDonnell had to vacate the H.B.Co's house in which he was then living, and wanted to lease the house formerly occupied by the Mounted Police Inspector. Col.Starnes objected to this occupation stating that he feared the McDonnell family would rack up the place and also that it would be a mistake to let them get into possessory rights as they were strong on that point.

In April 1927 Mr. McDonnell stated his lease expired on 1st August and asked permission to lease or buy a portion of the police reserve with sufficient ground for a yard and garden.

The D.L.Agent was then asked for a report.

In August again Mr. McDonnell stated he had received notification from H.B.Co., to vacate by 1st September and again asked to be permitted to occupy Police building.

The report from the Agent just now received states

that

-2-

that there is no objection to McDowell erecting one of the houses providing care and protection is given thereto as well as other buildings on the grounds.

The other buildings referred to which are in addition to the Inspector's residence leased to Mr. McDowell comprise a dwelling house, a large barrack building, a coal shed, an ice-house and an oil house. There also would be under the lease of Mr. McDowell.

As Col.Starper feared that this would rob the property, and Mr. Patterson appears to have some objection to the same plan it is recommended that some other disposition be made of the property and that Mr. McDowell be advised accordingly.

This recommendation is made with the fact also in mind that it would appear to be unfair for the Department to take so much land and so many buildings from the possession of Mr. McDowell when the police had already assumed such a decided objection to such an arrangement.

Respectfully submitted,

Re: Police Buildings, Peace River.

I agree with your suggestion that the matter might stand until the Agent of Dominion Lands makes his report.

However, I think we should decide now that there is to be no expenditure by us on these buildings. Police Magistrate McDonnell has been informed that he may occupy the premises on certain conditions. He was given to understand that the improvements must be kept in as good a state of repair as they are at the time he takes possession. If he wishes to make any improvements he will have to bear the cost himself, but such expenditure must not be taken out of the rental charges.

My dear Colonel Starnes,

I have received notification from the H.B.Co. to vacate this house at present occupied by me, which is the Post Manager's house at Peace River by the 15th of September.

On receipt of this notification, I applied to the Hon. Mr Stewart, Minister of the Interior, to either lease or purchase the Inspector's quarters on the R.C.M.P.Reserve.

I have not received a reply to my application, as the Hon. Mr Stewart has left Canada. I have taken the matter up with Mr Cory, Deputy Minister.

I would appreciate it if you would drop a line to Mr Cory that I be permitted to occupy these quarters, as with my large family, it is impossible to secure other quarters than these. I think a line from you is all that is necessary.

Dear Sir :-

In answer to your letter of the 13th instant, regarding the occupancy of the Inspector's quarters on the old Canadian Mounted Police Reserve at this point by Major A. E. C. McDonell, I beg to confirm my telegram of the 13th instant, as follows:-

" J.B.Dunne, Esqr.,
Supt. Ordinance Admiralty & Railway Lands Branch,
Department of the Interior, Ottawa.

Reference your telegram this date re building to be occupied by A.E.C.McDonell. Have received letter from agent for Merchants Traders Assurance Company that McDonell has applied for five hundred dollar bond. Is this sufficient assurance to allow immediate occupancy as he must leave his present house immediately. Repairs to Inspector's house will cost approximately one hundred and fifty dollars. McDonnell will pay same providing Department will keep amount off rent. Wire reply. "

On the morning of the 14th I phoned Major McDonell and informed him that I had not yet received a reply from Ottawa authorizing him to occupy the building under the conditions contained in my telegram. He then advised me that he had already started moving. I told him he was doing so at his own risk and that he may have to move again. He handed me a letter on the 15th, a copy of which is attached which shows that he has applied for the required bond.

The Inspector's quarters require the following improvements to make it habitable, calcimining throughout. A portion of pantry and kitchen plastered. Soft water tank in the cellar soldered and two grates for the furnace. I think $110.00 would cover the cost. Will the Department agree to taking this amount off the rent?

The old N.C.O. building is in poor shape. I have had the doors nailed up as they cannot be used as a play house and torn to pieces.

The Barracks building is in fair shape and have /not been

J.B.Dunne, Esqr.,
Supt. Ordinance Admiralty & Railway
Lands Branch,
Department of the Interior,
Ottawa, Ontario.

not been in use since the police left.

The others are three small log buildings, one has been used as a garage, one for an ice house and the other as oil and shell shed. I suggest the Department allow the use of one for a garage and one for an ice house.

I would further suggest that it be agreed that he be responsible for the upkeep and repairs of building occupied by him at his own expense from time improvements as already mentioned have been completed.

I suggest that he be allowed sufficient acreage for garden purposes.

A tennis court was on the grounds when buildings and grounds were taken over by the Department of the Interior, and I have made it a point to see that the court was put in shape and kept in good condition. I suggest that I be allowed to continue the care and control of the court, this would not in any way bar members of Major McDonnell's family from play.

The fences around the Reserve are in bad condition, and should be replaced.

Sanitary conditions for these buildings on the Reserve are not looked after by the Town, and there not being a well, water has to be hauled from town at 75 cents per barrel. Under these conditions, I would be inclined to place the rental at a low figure, say Twenty Dollars per month, this would be an amount sufficient to keep up the necessary improvements required.

Might I be allowed to respectfully suggest that possibly the Department could be protected by a special clause being inserted in the provisions of the lease as to the upkeep of the property, this, together with instructions to the Agent of Dominion Lands to maintain a close supervision and regular inspection with periodical reports to the Ordnance Lands Branch as to the condition of the property should prove satisfactory.

W. G. Marchand

TO HAVE AND TO HOLD the said land and premises unto the Lessee, his heirs, executors, administrators, successors and assigns from and after the first day of March in the year of Our Lord one thousand nine hundred and twenty-eight for and during the full period of one month, renewable monthly from time to time, during the pleasure of His Majesty, yielding and paying therefor monthly in advance, on the first day of the month so long as these presents and any renewal or renewals thereof shall continue in force, the monthly rent or sum of twenty dollars of lawful money of Canada, the first payment of which rent to be made on or before the delivery of these presents.

PROVIDED ALWAYS and these presents are issued upon and subject to the following stipulations, provisos and conditions, that is to say:-

1. 2. And that it shall be lawful for the Minister, or any person thereunto authorised by him, at all reasonable times during the said period, to enter upon the said demised premises to examine the condition thereof.

3. And that the Lessee shall not nor will during the said period, assign or underlet the premises hereby demised or any part thereof without the consent in writing of the Minister.

4. And that if the said demised premises or any portion thereof be required for any purpose which the Minister may deem to be in the public interest, possession of the same may at any time during the said period be resumed by His Majesty, His Successors or assigns upon one month's notice in writing by the Minister, Deputy Minister, Commissioner of Dominion Lands or Assistant Commissioner of Dominion Lands to the Lessee to that effect; and in no such case shall the Lessee have any claim to compensation on account of damage in any way resulting from such resumption or from the determination of this demise.

5. And that if the rent hereby reserved or any part thereof shall be unpaid for thirty days after becoming payable (whether demanded or not), or if any covenant, proviso, stipulation or condition on the part of the Lessee herein contained shall not be performed or observed, then and in any of the said cases, it shall be lawful for the Minister, Deputy Minister or Secretary (without any judicial enquiry or finding) by notice in writing under his hand to cancel these presents and thereupon this lease, and the remainder of the term hereby granted and all benefits, rights and privileges hereby granted to the Lessee shall become and be utterly and absolutely null and void; but

6. And that any notice affecting these presents or this lease which His Majesty may desire to serve upon the Lessee shall be sufficiently served on the Lessee if left addressed to him at the demised premises or posted addressed to him at Peace River, or if left for him at the last mentioned place. A notice sent by post shall be deemed to be given at the last mentioned place. A notice sent by post shall be deemed to be given at the time when in due course of post it would be delivered at the address to which it is sent.

7. And that the Lessee shall repair and place the said property in good condition to the satisfaction of the Minister and at the expense and charge of the Lessee, and further that the Lessee shall maintain the said hereby demised property in good condition to the satisfaction of the Minister and at the expense of the said Lessee.

8. And that the Lessee shall report any damage which the other old police buildings shown in blue on the sketch may suffer, or any care which they may require and shall take such precautions to protect the same from harm as may be reasonably expected from one living on the grounds but shall not occupy the same or permit the same to be occupied by any person whatsoever without the consent in writing of the Minister.

9. And that the Lessee shall furnish a bond from a Guarantee Company which is satisfactory to the Department, for five hundred dollars to assure that the premises will be maintained in a good state of repair to the satisfaction of the Minister.

MEMORANDUM:

Mr. Daly,
Departmental Solicitor.

Mr. A.E.C.McDonnell of Peace River has been told that he may occupy several of the old Police Buildings at Peace River on certain conditions among which was one that before occupancy he was to furnish a bond from a Guarantee Company for $500.00 to assure that the premises would be maintained in at least as good a state of repair as at present. In this case "at present" meant before occupancy.

Mr. McDonnell evidently applied for a bond but moved in immediately before securing it.

The Agent of Dominion Lands at Peace River in his letter of October 4th asked for the form of Government Bond but Mr. Marchand in his memo of Nov. 25th states that our form of bond would scarcely cover the situation.

Please furnish a form of bond that may be used in this case.

Will you please also O.K. the form of lease on file if it appears correct.

B. R. Dunn

Superintendent.

expected from one living on the grounds.

The occupancy of the house is to be under lease on a monthly basis the rental to be $20.00 per month payable to you each month in advance. The Bond from the Guarantee Company is to be filed in this office with the lease when it is signed.

The size of the garden is to be such as you think advisable and the dimensions of the same are to be marked on the sketch on page 2 of the lease.

Please have Mr. McDonnell sign both copies of the lease herewith, and the witness to his signature also sign both copies in the space indicated.

Both copies should then be returned to this office for execution by the Deputy Minister after which one copy will be returned to you for Mr. McDonnell.

In reference to the enquiry in respect to the bond to be furnished, I have been advised by the Financial Controller that the present form of Guarantee Bond would scarcely cover a case of this nature.

What is wanted is a bond conditioned upon the due performance of the terms of the lease.

Dear Sir:-

The Central Canada Railway takes through Lot 12, Peace River Landing Settlement, for its right-of-way 4.19 acres. This River Lot was reserved for the Royal North West Mounted Police, and in checking my plan I do not appear to have secured title to this area.

Railway plan showing this area is dated the 16th day of June, 1917, and is on file in your Department, it being the "as constructed" plan of the Central Canada Railway through Townships 81 to 83, Rge.21, and 22, West 5th Mer., Mile 23.25 to Mile 49.21.

Will you please advise if this land comes under your jurisdiction, and if not, would you be good enough to refer this letter to the proper authority, as I would like if possible to secure title to the area affected.

Sir

Replying to your letter of the 10th inst..with regards to me occupying the Inspector's Quarters, R.C.M.Police Reserve, Peace River.

I am under the impression whoever prepared the Statement is under a misunderstandin First. I never asked the Department to disburse Money for Repairs, all I asked, that the repairs necessary I would pay for, and the Department allow the amount expended to be applied as Rent.

The amount estimated was $140.00, and this has been recommended by your Agent here, Mr. Bruikshank.

The repairs were necessary before the house could be occupied.

I have expended $150.00 but I would be satisfied if the Department would allow me the amount recommended, namely $140.00 to apply as Rent.

Second. As to Rent.... I would respectfully request that the amount be reduced to at least $15.00 as I have to buy Water which amounts to $8.00 per month.

It is true I was out of a Home at the time, and appreciate the consideration of the Department in allowing me to have same.

I am taking good care of the house and it is in better condition than when I occupied it....I am also looking after the other Buildings belonging to the Department .

And I would also respectfully request that you would take that into consideration, and trust you will reconsider your decision and grant my request.

With best wishes and thanking you in anticipation

Yours faithfully

Copy for the Minister's
Office.

13th August, 1928.

Dear Major McDonell,

I have your letters wherein you request that the Department make a deduction in the rental for the house you are occupying on the old Mounted Police Reserve at Peace River to allow for the amount which you have expended in making repairs, also that the monthly rental be reduced from $20.00 to $15.00.

In reply I may say that, in view of all the circumstances of the case, the Department has decided after careful consideration to allow you the sum of $110.00 for repairs made on the property. This will be done by having the term of the lease computed as from the 1st March last instead of from the middle of September, 1927, thereby allowing you five and one half months' free rental, or the equivalent of $110.00.

This is the very best that can be done for you, and in granting this concession the Department considers that it is dealing with you very fairly, in view of the fact that you were prepared to occupy the building on the distinct understanding that the Department would hold you responsible for any expenses incurred in making repairs or improvements.

It is understood, of course, that on receipt of this advice you will immediately execute the lease and bond and hand them to the local Agent of Dominion Lands for transmission to the Department, and that at the same time you will make payment to that Official of the arrears of rental on the basis of $20.00 a month computed from the 1st March last, as well as one month's payment in advance.

I may add that the local Agent is being written to departmentally in accordance with the foregoing.

Re: Building on 1/4 Mounted Police reserve at Peace River, occupied by Major A. D. McDonell.

In view of representations made to this office it has been decided to allow Major McDonell the sum of $150.00 for repairs made on this property by having the term of the lease computed as from the 1st March last, instead of from the middle of September, 1927, thus allowing him one and one half months' free rental or the equivalent if the sum mentioned.

This concession is to be granted on the distinct understanding that Major McDonell will immediately execute the lease now sent and send them to the local agent at Peace River for transmission to the Department, and that at the same time he will make payment to the agent of the arrears of rental on the basis of $10.00 a month computed from the 1st March last, to and including the month's rental in advance.

Kindly have this matter attended to immediately.

Sir:

Adverting to your letter of the 22nd May last, file #72, relative to the house on Lot 12, Peace River Landing Settlement, which is being occupied by Major A.E.C.McDonell, Police Magistrate at Peace River, I beg to say that under the circumstances it has been decided to allow Major McDonell the sum of $110.00 for repairs made on this property. This allowance is to be made by having the term of the lease computed as from the 1st March last instead of from the 16th September, 1927, thereby allowing five and one-half months' free rental or the equivalent of $110.00. This concession is to be granted on the distinct understanding that Major McDonell will immediately execute and hand to you the lease and bond which you forwarded to him under cover of your letter of the 31st January last, and that at the same time he will pay to you the arrears of rental on the basis of $20.00 a month computed from the 1st March last as well as one month's rental in advance.

You will understand, of course, that it will be necessary to amend the clause in the lease at the top of page 3 to show the monthly tenancy to commence on the 1st March, 1928 and the rental to be payable in advance monthly on the 1st day of the month.

Attention is directed to the departmental letter to you of the 18th January last in this matter, especially to the paragraph therein pointing out that you are to determine and indicate on the sketch on page 2 of the lease the size of the garden to be included in the lease. This should be attended to, of course, before the lease is executed by Major McDonell.

Will you kindly advise Major McDonell in accordance with the foregoing immediately upon receipt of this letter.

MEMORANDUM.

John Harvie, Esq.,
Acting Superintendent,
Ordnance, Admiralty & Public Lands Division.

Re Lot 12, Peace River Landing Settlement, Alberta, and the right of way of the Central Canada Railway.

With reference to your memorandum of the 24th August last, beneath, I beg to state that a proper plan showing the above-mentioned right of way in Lot 12 mentioned above is of record in this Department under No. 26890.

According to the right of way plan the area taken for the said right of way in said Lot 12 is 3.38 acres. An area of 0.66 of an acre is cut off by the right of way in the north east corner of the lot and an area of 0.15 of an acre is cut off by the right of way in the south east corner of the lot. These areas together comprise the 4.19 acres applied for by the right of way and townsite agent of the Railway Company. Before a description is prepared the question should be decided as to whether these three areas should be included in the grant to the Company. I may add that all three parcels are coloured pink on the right of way plan, but the areas are set forth thereon separately as well as the total area.

This right of way does not affect the present Mounted Police Reserve.

Director of Technical Division.

Dear Sir :-

In reference to your occupancy of the Inspector's house of the old Police Buildings, I beg to advise you that it has been decided to allow you $110.00 for repairs made on this property. The allowance is made by having the term of the lease computed as from March 1st, last, instead of from September 16th, 1927, thereby allowing five and one-half months free rental or the equivalent of $110.00. This concession is granted on the understanding that you will immediately execute and hand to me the lease executed and bond which accompanied my letter to you of January 31st, together with arrears of rental on the basis of $20.00 a month from March first as well as one month's rental in advance.

I shall amend the clause in this lease at the top of page 3 to show the monthly tenancy to commence on the first of March 1928 and the rental to be payable in advance monthly on the first day of each month.

Your obedient servant,

Mr. Harvie.

Re - Severances cut off by Right of Way of the Central Canada Railway in River Lot 12-83-21-W. 5th Mer.

The Edmonton, Dunvegan and British Columbia Railway Company made application on behalf of its Central Canada Branch on the 2nd October, 1916, for the Severances cut off by its Right of Way in the lot above mentioned. At the time of the application this lot was set aside and appropriated for the purposes of the Royal North West Mounted Police. However, these portions of the lot on which the Severances are situated have now been withdrawn from the Police Reserve and thus made clear and available for the Railway Company.

As those portions of the lot on which the Severances are situated are vacant, I recommend that these Severances, which comprise .66 acres and .15 acres respectively, be sold to the Railway Company at the rate of $7.50 per acre with a minimum charge of $2.00 and as the purchase price at the rate mentioned is less than $20.00 a patent fee of $10.00 be charged.

Sir,

Re - River Lot 12-83-21-5, 5th Mer.

With reference to your letter of the 20th ultimo relative to the above, I beg to advise you that on the 21st February, 1918, the Edmonton, Dunvegan and British Columbia Railway Company made application for two severances cut off by the right of way of its Branch Line the Central Canada Railway, in the above lot. However, at that time this lot was under reservation for the Royal North West Mounted Police hence the severances were not available for the Railway Company.

The portion of this lot through which the right of way passes and in which the said severances are situate has been withdrawn from the aforementioned reservation and the right of way and severances are now available for the Railway Company.

These severances comprise 0.66 acres and 0.15 acres respectively and the Department will sell them to the Railway Company at the rate of $7.50 per acre and a patent fee of $10.00 as the purchase price at the rate mentioned is less than $20.00. Please remit the charge for the severances and patent fee at your very earliest convenience.

I may add that the area in the right of way comprises 3.30 acres, patent for which will be issued in due course.

In regard to the small reservation referred to I find that the Provincial Government have constructed a highway over the 0.66 acres, so that an application will likely be made from that source for this piece of land, and the 0.11 acres will not be required by us.

Dear Sir,

It is contemplated that we shall have to close our Peace River Detachment at the end of the present month, and for that reason, we shall have no one there to act as caretaker of the buildings.

Ex-Superintendent McDonell has asked to be allowed to occupy the detachment building there free of charge, and as the Officer Commanding at Edmonton has expressed the opinion that the building would not deteriorate so quickly if he were allowed to occupy it, I have consented to allow ex-Superintendent McDonell to do so. I am given to understand that Mr Gibson saw no great objection to this course, but I am instructing the Officer Commanding at Edmonton that Superintendent McDonell will have to sign an understanding that he will vacate the building on short notice, if required, and that this Department will not have to give any reason for such short notice.

Superintendent McDonell had suggested that he act as caretaker for the old Post buildings, which are now the property of your Department. This is, of course, outside my jurisdiction, and I have not given any consent to this. Personally, I would prefer if your local Agent of Dominion Lands, Mr Cruickshank, would keep an eye on the property of your Department. However, this is a matter entirely for your own decision, but I thought that I should acquaint you that we contemplate closing our detachment there, and to let you know, officially, that Superintendent McDonell will be permitted to occupy our old building there when our Sergeant vacates it, providing you see no serious objection to such a course, which I understand you do not.

14th May, 1929.

Memorandum.

Mr. Martin.

By Order in Council of the 25th April, 1912, P.C. 1016, Lot 12, Peace River Settlement, containing 39.50 acres, was set aside and appropriated during pleasure for the purposes of the Royal North West Mounted Police.

The Commissioner of the Royal Canadian Mounted Police notified the Department in the year 1924 that an area of 1.80 acres would be sufficient for future requirements and by Order in Council of the 17th November, 1924, P.C. 1961, the remaining land in the lot, embracing 37.70 acres, was withdrawn from reservation for Police purposes.

Intimation is now conveyed to the Department by Commissioner Starnes in his letter of the 7th instant, that it is contemplated the Peace River Detachment shall have to be closed at the end of the present month and for that reason they shall have no one there to act as caretaker of the buildings. Evidently Superintendent McDonell wishes permission to occupy the detachment building there, free of charge, and Commissioner Starnes has given his consent. Superintendent McDonell has suggested that he act as caretaker for the old post buildings, which are now the property of this Department, but Commissioner Starnes

would

would prefer to have our local Agent of Dominion Lands keep an eye on the property of our own Department.

It is not clear from the communication from Commissioner Starnes whether it was his intention that the Police Force buildings recently occupied by their non-commissioned Officer were to be turned over to this Department, but so long as the Police continue to exercise control, this Department has no say in the disposition of the buildings. The land, however, is merely under reservation for police purposes and the title is still with this Department.

Superintendent McDonell rented one of the old post buildings from us and he has been paying a monthly rental of $30.00. The last report from our Agent shows the rental to have been paid to the 30th April, 1929.

The Chief Electoral Officer in his letter of the 4th instant, intimates that 205 ballot boxes used in the Electoral District of Peace River, have been stored in the Royal Canadian Mounted Police barracks at Peace River. He says that the Commissioner of the Royal Canadian Mounted Police has informed him that it has been decided to withdraw the detachment personnel from Peace River and it is proposed to close the building in which the ballot boxes are stored, at the end of the present month.

Seemingly, Commissioner Starnes has suggested that as the majority of the barracks buildings at Peace River have been transferred to the Department of the Interior, perhaps the ballot boxes could be transferred to the custody of the Dominion Lands Agent at Peace River. They could then remain in the building where they are at present, under lock and key, and when the detachment vacates the building and it is handed over to the Agent, the boxes could be left in the Agent's charge, which arrangement would avoid the expense of moving the boxes.

Inasmuch

Inasmuch as the Police are giving Superintendent McDonell permission to occupy one of the buildings at the Peace River Settlement Post, and they have not clearly stated in their communication that they intended turning over to us any part of the buildings, it would seem that the present arrangement they have with the Chief Electoral Officer might continue and Superintendent McDonell could act as caretaker, being responsible for the care of the ballot boxes.

Our Agent's residence is not in the immediate vicinity of this property and it would seem inadvisable that this Department should place additional responsibility upon him in caring for these ballot boxes when the Police intend to have someone occupy their post building.

Dear Sir:-

After the general election of 1921, two hundred and sixty-five (265) ballot boxes used in the electoral district of Peace River were stored in the R.C.M. Police barracks at Peace River.

The Commissioner of the R.C.M. Police now informs me that it has been decided to withdraw the detachment stationed from Peace River, and it is proposed to close the building in which the ballot boxes are stored at the end of the present month.

We suggest that, as the majority of the barrack buildings at Peace River has been transferred to the Department of the Interior, these ballot boxes could be transferred to the custody of the Dominion Lands Agent at Peace River, Mr. Cruickshank. They could then remain in the building where they are at present, under lock and key, and the detachment vacates the building and it is handed over to Mr. Cruickshank. Adverting to Mr. Harvie's memorandum of the 14th instant and your endorsation thereon, I may say that we are informed by the Mounted Police that the building in which the ballot boxes are located is the one marked "Office" on the plan accompanying the letter written by the Assistant Commissioner on the 28th August, 1924, and is being retained by the Police. Apparently the officials of the Police would like our Agent to take over the custody of the boxes.

Would there be any objection to this course of action on the understanding that it would simply involve taking over the key, keeping an eye on the property and no responsibility on the part of the Department.

Memorandum:

Mr. Martin.

With respect to the 265 ballot boxes stored in the R. C.M. Police Barracks at Peace River, it would seem from the memorandum of the 20th ultimo that the building in which the boxes are stored is not part of the premises taken over by us from the Royal Canadian Mounted Police. However, it is evident that it is not the wish of Commissioner Starnes that Police Magistrate A.E.C. McDonell should be placed in charge of this building, although he is being given permission to occupy the detachment house which has been vacated.

Our Agent of Dominion Lands resides some distance from the detachment premises, but there would be no objection to placing the key of the storage building in his care, so long as it is distinctly understood by the Chief Electoral Officer that his supervision will consist merely in periodical visitations and that there will be no responsibility upon either our Agent or the Department.

Police Magistrate McDonell was to vacate, on the 8th instant, the house under lease from this Department. He writes to ascertain whether he may retain the keys and continue to look after the buildings.

As it will be necessary for our Agent to visit the former detachment at regular intervals, it would seem unnecessary for the Department to place Magistrate McDonell in charge as caretaker, and I think he ought to be requested to hand over the keys to the building to our Agent if such action has not been taken.

According to despatches in the press, there seems to be a shortage of residences at Peace River to take care of the influx of settlers, and the Agent might be asked to find suitable tenants for the buildings now with this Administration. Presumably it would be satisfactory to the Department if the Agent were to rent on a monthly basis, on such terms as were satisfactory to him, in all cases the rental to be payable in advance, and the Agent to make the necessary collections when due, reporting payments in his returns in the usual way.

However, we have no objection to our Agent taking over the key when the Police Detachment vacates the premises on the understanding that his supervision will consist merely in periodical visits and that there will be no responsibility upon our Agent or the Department. Magistrate McDonell's letter of the 23rd ultimo does not seem to call for any reply from here. This Department has been advised by the Commissioner of the Royal Canadian Mounted Police that the Peace River detachment will be closed and the Chief Electoral Officer, Mr. Jules Castonguay, states that there are 266 ballot boxes in the Mounted Police Barracks at Peace River.

The control of the building in which these ballot boxes are stored is being retained by the Mounted Police but Mr. Castonguay states that the terms on which the Department agrees to have you keep an eye on them are acceptable to him. Peace River, Alta. 11th June 1929.

Dear Sir:

I beg to attach, herewith, for your favourable consideration, an application from the Municipal Council of the Town of Peace River for a strip of 33' to be taken off the northern boundary of River Lot 12, Peace River Settlement.

It is very essential that the Town should be granted their request, and I hope the matter will meet with your approval.

As River Lot 12 is fenced along the northern boundary, I presume that in the event of the area being given to the Town, the Council will be responsible for the replacing of a substantial fence 33' south from the present fence.

Your obedient servant,

Agent Dominion Lands

Sir,

Your reference - 72

I beg to enclose for your information copy of the Departmental letter of today's date addressed to Mr. J. H. Johnston, District Engineer of the Provincial Department of Public Works, Peace River, relative to his desire to lease on a monthly basis the house on Lot 12, Peace River Landing Settlement, which was occupied for some time by Major McDonell.

In this regard I beg to call attention to my letter to you of the 22nd ultimo, stating that you might endeavour to find suitable tenants for the buildings which had been transferred to the Department by the Mounted Police, and that it would be satisfactory to the Department if you rented any building on a monthly basis on such terms as proved satisfactory to you, rental to be payable in advance monthly, and reported here in your returns in the usual way.

As it is understood that Major McDonell vacated the house on the 8th ultimo, it is presumed that the building will be available for leasing to Mr. Johnston, unless you have made some arrangements in connection therewith since the receipt of the Departmental letter of the 22nd ultimo referred to.

Will you kindly inform the Department of the action you may take with regard to Mr. Johnston's application.

Your obedient servant,

Enclosure.

MEMORANDUM:

J.W. Martin, Esq.,
Acting Commissioner of Dominion Lands.

Under date the 21st June last Mr. J.H. Johnston, District Engineer of the Provincial Department of Public Works, Peace River, Alberta, addressed a letter to the Minister enquiring whether he might lease the house on Lot 12, Peace River Landing Settlement, which was occupied for some time by Major Macdonell.

In accordance with the Acting Deputy Minister's memorandum of the 13th June last, the Agent of Dominion Lands at Peace River was requested to endeavour to find suitable tenants for the buildings which had been transferred to this Department by the Mounted Police and, at the same time, it was pointed out that it would be satisfactory to the Department if he rented on a monthly basis, under such terms as proved satisfactory to him and upon the understanding that in all cases the rental was to be payable in advance.

Mr. Johnston was informed that the leasing of the house was in the hands of the Local Agent and it was suggested that he place his application before that officer.

A telegram has now been received from the Agent stating that Mr. Johnston is prepared to rent the house in question at the rate of $20.00 per month provided the Department is prepared to calcimine three rooms. He points out that the calcimine in these rooms is all pealing off and that it should be scraped. The work would cost $75.00 and he suggests that Mr. Johnston be allowed to do this work and that the cost be deducted from the rental. A reply by wire is requested.

It will be noted that when Major Macdonell was occupying the building for a residence, the Deputy Minister in his memorandum of the 10th September, 1927, marked, instructed that he should furnish a bond for the sum of $500.00 that the premises which he occupies will be maintained in at least as good a state of repair as when taken over and that he would take care of the other buildings on the ground. He was granted a lease on a monthly basis at the rate of $20.00 per month.

Major Macdonell requested that certain repairs be

made

made and after careful consideration of all the circumstances, the Department decided to allow him the sum of $110.00 for repairs made on the property. This was done by having the term of the lease computed from a later date giving him five and one-half months' free rental.

It would seem, however, that $25.00 per room is excessive for the calcimining of these rooms and I would recommend that Mr. Johnston be allowed to occupy the house on a monthly basis subject to rental at the rate of $20.00 per month payable in advance and that he be compensated for calcimining the rooms to the amount of $45.00, being at the rate of $15.00 per room. Compensation could be made in the same manner as previously by granting two and one-quarter months' free rental.

Public Lands Division.

Dear Sir;--

Re:- Road allowance. North boundary River Lot #12.

I am directed to communicate with you regarding the opening of Tenth Street South in this Town.

When River Lot #11 was subdivided, provision was made for an allowance of half a street off the southern boundary of the said Lot with a view of obtaining a similar portion off the northern boundary of River Lot #12, each strip or portion to be 33' in width, making a street 66' in width.

As River Lot #12, is the property of the Dominion Government I shall be pleased to know if the 33' strip as indicated can be acquired by the Municipal Council for the purpose stated.

The 33' portion off River Lot #11 has been in use for a considerable time, but, as it is not much more than the width of a standard lane, more highway accommodation is desired.

Yours faithfully

W. J. Doherty.

Memorandum.

Mr. Martin.

Mr. A.D.Clarence, the Acting Agent of Dominion Lands at Peace River, has wired that a parcel of six acres of land in the old Royal Canadian Mounted Police Barracks property at Peace River is desired for a municipal hospital.

It appears that whether the land is wanted or not for this purpose, will depend on the possibility of securing a water supply, and the Acting Agent has asked if they may have permission to drill for water on the site.

The position of the land in question is shown on the small blue print below, marked.

The Acting Agent asked for a report by telegram stating that they are anxious to commence drilling for water.

Apparently the absence of water is felt in this district as the lack of water has been quoted as a reason for reduced rental when an effort was made to place some of the old Royal Canadian Mounted Police buildings under lease, and it would probably be an advantage in the disposition of the remaining portion of this Crown property to have a drilled well in the near vicinity.

Although under ordinary circumstances it would be advisable to arrange fully for the disposal of the lot to the municipality before allowing them to do any work upon the premises, still for the reason stated I would recommend that they be granted permission to drill a well within the area stated, but to be advised at the same time that such permission is not to be construed as granting any permanent rights whatever to the municipality for this property, but that the terms of the sale would be unaffected by any work done upon the property.

The municipality have asked that a width of 33 feet on the northerly end of Lot 12 be granted so that along with the 33 feet set aside in the subdivision of Lot 11, an ordinary street may be left between Lots 11 and 12. This question does not affect the application to drill a well and will be taken up later.

Sir:

In reply to your telegrams of August 15th and 16th, in respect to the application of the Municipality of Peace River for permission to drill for water on a portion of Lot 12, Peace River Settlement, I have to state the matter has received the due consideration of the Department.

It is understood that the Municipality will desire to secure six acres of this property as described in your telegram of 16th August for the site for a municipal hospital if a water supply can be secured, and that permission is now desired to drill a well, and presumably should a suitable supply be obtained the municipality would later apply for the land.

Authorization is hereby given for the Municipality to proceed at once with the drilling of a well within the six-acre parcel described in your telegram of August 16th, on the understanding that such permission is not to be construed as granting any permanent rights whatever to the Municipality for the property, and that the terms of the sale of the area to the Municipality will be unaffected by any work done upon the property.

The application of the municipality for a strip along the North boundary of Lot 12 for street purposes, will be dealt with in a later communication.

Dear Sir;--

Re:- Road allowance, North boundary River Lot #12

I am directed to communicate with you regarding the opening of Tenth Street South in this Town.

When River Lot #11 was subdivided, provision was made for an allowance of half a street off the southern boundary of the said Lot with a view of obtaining a similar portion off the northern boundary of River Lot #12, each strip or portion to be 33' in width, making a street 66' in width.

As River Lot #12, is the property of the Dominion Government I shall be pleased to know if the 33' strip as indicated can be acquired by the Municipal Council for the purpose stated.

The 33' portion off River Lot #11 has been in use for a considerable time, but, as it is not much more than the width of a standard lane, more highway accommodation is desired.

Yours faithfully,

(Signed) W.J. Doherty

MEMORANDUM

J. Harvie, Esq.,
Director.

re R.C.M.P. Barracks house,
Peace River, Alberta.

On August 9th the Agent of Dominion Lands, Peace River, wired that Mr. J.H. Johnston, District Engineer for the Province of Alberta, was prepared to rent this house on certain terms. On September 11th the Agent wrote that Mr.J.H. Johnston had agreed to rent the above property from October 1st on the terms offered by the Department, namely, at a monthly rental of $20.00, the tenant to be compensated to the amount of $45.00 to be deducted from the rent for calcining three rooms.

On November 5th Mr. Johnston wrote the Agent "I regret very much to advise that, on further consideration, we have decided not to take this house."

It is not clear whether Mr. Johnston was acting in a personal capacity or for the Provincial Government.

Mr. Johnston's action may very possibly have had the effect of losing a tenant for this property. The Agent of Dominion Lands, Peace River now wishes to know if it is the intention of the Department to request Mr. Johnston to pay rent for the month of October. Submitted that the Agent of Dominion Lands be requested to endeavour to collect one month's rent, that is, $20.00 from Mr. Johnston.

There is a large scale sketch of the property on file under the Agent's letter of April 20, 1925. The parcel revested by the Mounted Police is described in the Order in Council of 30th October, 1924, accompanying the memorandum by Mr. Cote under date of the 11th December, 1924. Re Part of Lot 12, Peace River

Hospital District No.21.

On August 14th, the Agent of Dominion Lands, Peace River, wired the Municipal Hospital District No.21 desired to purchase a parcel of 6 acres situate in the North West corner of the above noted lot provided that water could be found on the parcel.

On August 20th the Hospital District was given permission to drill for water on the parcel with the understanding that no other rights whatever were conveyed with the permission. A description and sketch of the parcel required (marked with red slip) were received at this office from the Acting Agent of Dominion Lands on August 28th. On September 10th the Secretary-Treasurer of the Hospital District wrote that the Hospital District did not care to undertake the expense of drilling on the parcel until they knew whether they would be able to finance the purchase of the parcel. No price had been quoted for the land.

On July 20th the Agent of Dominion Lands forwarded a copy of the following resolution of the Municipal Council of the Town of Peace River dated May 27th, 1929, "Resolved that the Secretary-Treasurer be authorized to write to the Agent of Dominion Lands, Peace River regarding expropriation of 33 feet along the North boundary of River Lot 12 in Peace River Landing Settlement for street purposes".

On August 10th Homestead Inspector Haydon inspected the parcel required by the Hospital District and, having in view the purposes for which the land was required, valued the land at $20.00 an acre and the improvements, consisting of a wire fence, at $13.00. This parcel appears to be on the outer edge of the town about half a mile from the centre.

It is submitted that the Municipal Hospital District No.21 be informed that they will be permitted to purchase 6 acres at $20.00 an acre together with $13.00 for the fence, the cost of moving the fence, if necessary, to be borne by the Hospital District, provided that the Hospital District supply a suitable description of the parcel excluding therefrom the northerly 33 feet desired by the Municipality for street purposes.

FOREWORD

Bishop's Court, Winnipeg, Man.

January 25th, 1929.

FOR several years past the Church Army has been bringing out boys from England and settling them in Canada. In my travels throughout my Diocese I have been frequently brought into contact with not a few of these lads, and it has always been a great satisfaction to me to discover what a high percentage of them turn out so excellently well. Much has been said and written lately upon the question of drawing more of our emigrants from the British Isles. It seems to me that one of the very best means of being reasonably sure that these emigrants will prove successes, especially as settlers on the land, is to place them while they are young with experienced farmers, and thus train them up in the way that they should go so that when they are older they will not depart from it. This is just what the Church Army is endeavoring to do, and I have much pleasure as a result of my observation and experience in very heartily commending its work. The following up of its efforts by careful inspection of the boys in the field is calculated to secure the best results, not only for the boys themselves, but for those who employ them.

THE DEPARTMENT'S OBJECT:

To people the Dominions by wise selection, experienced guidance and thorough after-care

The Superintendent-Secretary's Report

At the beginning of the year 1924, the Board, after careful consideration and advice, decided to extend the Society's activities into Western Canada by the opening of a Hostel in Winnipeg for Juvenile Migration.

It was decided that the Hostel be for boys who would be placed with selected farmers in the Prairie Provinces.

For officers selected by London Headquarters to proceed to Winnipeg in order to establish this important branch of our work were Captain and Mrs. Thomas Smith, who had spent a large number of years with the Society and had been responsible for very successful work in organizing, etc., and it is largely due to their untiring and self sacrificing and zealous efforts that to day the Hostel is an established fact in Winnipeg, and that our work is so thoroughly recognized and so well known.

Unfortunately for the Society, Captain Smith received an offer from another Society, which he felt it was his bounden duty to accept, and we believe that to day he is doing very successful work in the organizing of the same. Thus necessitated his leaving the Society in the year 1926.

Captain and Mrs. Robinson were then selected by London Headquarters to succeed Captain and Mrs. Thomas Smith in the Superintendency of the Hostel.

Since that date another change has been made, and we now find Captain and Mrs. C. A. Harrison were selected by the Board to succeed Captain and Mrs. Robinson, the latter now doing very successful parochial work at Grand Rapids, Manitoba, with a view to immediate ordination.

CAPTAIN AND MRS. C. A. HARRISON
Superintendent and Matron of the Hostel

Since the advent of the Hostel, the Society up to date have been responsible in bringing to Canada five hundred and fifty-two boys specially selected.

These boys have been placed with carefully selected farmers in the three Prairie Provinces.

Our statistics show that up to date a very small percentage of the boys have had to be returned to the Old Country, the total number being twenty-six. Twenty-three of these boys were returned on account of sickness or bodily ailments. The remaining three were absolutely unsuitable for various reasons.

One reason for the huge success of the scheme is a careful selection of farmers, vigilant supervision of the lads, and the following up of after-care work, and in order to bring the same to a high standard of efficiency, it has been necessary for us to set aside one officer whose special duty it is to pay periodical visits to each boy under our care.

In the year 1927 Captain J. Ticehurst was selected to proceed to Canada to work under the direction of the Superintendent and to fill this very important and necessary post.

CAPTAIN J. TICEHURST

The Boys' Welfare Officer, whose special work it is to pay periodical visits to each boy under our supervision.

Needless to say, the boys are much encouraged, many difficulties overcome, the working out of any except the best-class homes accomplished, and a greater confidence established between the boys and the Hostel in Winnipeg.

Prior to the boys being sent to their foster-fathers, a letter of introduction is forwarded to the parochial clergy informing them that a new boy will be coming in their midst, giving them the employer's name

[illegible] the name of the newcomer, and also informing them as to whether [illegible] was confirmed or not.

[illegible] is also adopted when a boy is transferred from one [illegible] to another. Thus the boys are [illegible] with their record, the [illegible] being that many are singing in [illegible] others are assisting in [illegible] and in one instance a boy has been responsible for [illegible] Sunday School in his locality.

[illegible] supervision is over the [illegible] gates entering the ministry [illegible] encouraged substantial help by the Bishop of the Diocese.

[illegible] has been endorsed by all the authority and is [illegible] considered [illegible] most successful of all emigration policies.

[illegible] important function of the Winnipeg Hostel is that of meeting [illegible] who have specially been commended to us by clergy of [illegible] Headquarters. Needless to say a warm handshake, a [illegible] and cheer together with kind advice is much appreciated. [illegible] the cases of new emigrants becoming established in the Land [illegible].

EXTRACTS FROM LETTERS OF BOYS WHO HAVE PASSED OUT OF OUR SUPERVISION

I beg to acknowledge receipt of your letter of [illegible] enclosing cheque for the sum of $[illegible] for which enclosed please find receipt.

I might say that I am very much obliged to the Church Army and the many others for all the kindness and consideration which has been given me whilst in Canada. The Canada Army systematic idea for the welfare of youths coming to Canada under their care is most superb. I can assure you that I could not have been looked after better had I been living with any personal friends of mine in Canada or any other country. The utmost attention is given to each individual case. I only wish I could get to Winnipeg to express my thanks in words.

Thanking you most sincerely for your kindness and good advice, I should be able to give you any assistance at any time or occasion. I should willingly give up my services to assist you in any way if you ever send any lads to Canada. I will do my utmost to help them out, meet their trains and do any other service to the benefit of their welfare. [illegible]

I am writing these few lines in order to express my gratitude to the Church Army for the care and interest shown to me whilst under your supervision. Making the break with the Old Country gave me many anxious moments when I thought of my life in the new Country. Canada and thanks to the Church Army I found that there was no excuse for my anxiety whatsoever. I was placed with a good family and obtained the best of food and care. I have just been overhauled by a doctor and he has pronounced my physical condition to be perfect. This in itself stands out the time what I spent on a farm has been fundamental in giving me good health, whilst the Church Army plan in saving [illegible] of the boy's wages has been the means of my having money enough [illegible] to do that at my own. If every boy who comes from England under your supervision receives the same care and attention as I was lucky enough to receive a good name no regrets in having England and starting life in the prairies and prairie. Dominion. Wishing the scheme the best of success [illegible]

I received the cheque for $[illegible] and am obliged for your [illegible] services rendered. I must thank you for what you and the Church Army did for me personally and think the [illegible] organisation and hope you will carry on with the good work. I am [illegible] better on the purpose of [illegible] the Church Army as the good [illegible] have looked after us boys as I have been under their supervision [illegible] three years and am grateful to the way [illegible] have looked after me as they have helped me out considerably and I cannot tell you how much I appreciate the Church Army as I guess I am not the only boy that has realized the good and interest that the [illegible] takes in us boys [illegible]

I [illegible] doing well and is a real gentleman and a good worker and I am well satisfied with him and to the best of my knowledge he seems happy and contented I think he will make a good farmer [illegible]

I have the pleasure in answering yours, and thanking you for your generosity, and I am thanking the Church Army for their kind service which they have rendered me for which I am grateful. THE WINNIPEG CONSULTATIVE COMMITTEE

This is composed of an eminent body of clergy and laymen, His Grace the Archbishop taking a lively interest in our plans and arrangements.

Periodical meetings are held, when this splendid body of gentlemen are always ready to impart sound advice, and, needless to say, their presence and wisdom is a great asset to the efficient working of our scheme.

Dr. Speechly continues to render valuable service to our boys who happen to be on the sick list. His advice together with his cheery disposition is greatly valued.

Upon arrival of a batch of boys from England, members of the Committee in turn proceed to the Hostel in order to give them a word of cheer and welcome together with valuable advice for their future.

HOW ARE THE BOYS PROTECTED DURING THE WINTER MONTHS?

Each boy arriving at the Hostel, before proceeding to his first job, is provided with a complete winter outfit as follows:

One [illegible] Woollen Cap with Ear Flaps
One [illegible] Heavy Mackinaw Coat
One [illegible] Heavy Woollen Sweater
Two [illegible] Overalls
One [illegible] Pair of Leather Mitts
One [illegible] Woollen Mitts
One [illegible] Heavy Scarf
Two [illegible] Pairs of Heavy Socks
One [illegible] Pair of Felt Boots
One [illegible] Pair of Rubber Overshoes

These are supplied to the boy irrespective of the season of the year he may arrive, in order that he may be in a position to face the severity of the Canadian climate.

Each boy's kit costs approximately $20.00. These are wholesale prices, no additional charge being made to any boy.

ARE THE BOYS CHARGED ANYTHING TOWARDS THEIR PASSAGE?

Absolutely no! Each boy is given free ocean passage and free rail transportation right to the door of the Hostel, not one cent of this being charged to his account.

THE HUTCHINS FAMILY

A PARTY OF OUR BOYS A FEW HOURS PRIOR TO THEIR SAILING FROM SOUTHAMPTON

With best compliments to the Lord of Peace

WHO PAYS FOR THE BOY'S KIT AND HIS FARE TO HIS FIRST JOB?

In the first place the Church Army meets this expense, the same being recovered from the boys as their fifty per cent. of wages are received from the farmers.

Needless to say, the boys greatly appreciate our assisting them their fares and also in providing them with kits and allowing them to pay for same after their wages are earned.

SUPPOSING THE BOY IS DISMISSED FROM HIS JOB, WHAT HAPPENS TO HIM?

Prior to his dismissal, the farmer informs us and we make arrangements for him to be sent direct to the Hostel at Winnipeg, where, after investigating the case, giving him kind and fatherly advice, we make arrangements for him to be sent to a new post, possibly the same day or in any event the day after.

Thus the boys are amply protected and know that they have friends to turn to in their hour of difficulty.

WHAT TYPE OF BOYS DO WE BRING TO CANADA?

Many boys are from working-class families. A certain percentage from middle class homes, and some from the homes of professional men.

Before a boy is brought to Canada, he must furnish the Society with two first-class references, these references being kept in the boy's file at Winnipeg.

DURING THE PAST YEAR THE FOLLOWING BOYS PASSED THROUGH THE HOSTEL

C. B. P.—His father was a Staff Officer in the pre-war Imperial Army.
D. B.—Son of a Church Army Captain.
G. F.—Son of a Rector in England.
K. L.—Father a Manager.

HOW ARE THE BOYS SELECTED?

The majority of the applications we receive are from the parochial clergy in England through our own officers and sisters who work under the supervision and direction of the parochial clergy, which places us in a position to get the very best type of boy possible.

DO WE HAVE ANY FAILURES?

Most certainly, but the figures in the beginning of this report will prove that these are a fraction over four per cent. which is more than encouraging.

FOR WHAT LENGTH OF TIME IS OUR AFTER CARE?

For a period of three years, or [illegible] and the boy attains the age of twenty.

MEMORANDUM

J. W. Martin, Esq.,
Commissioner of Dominion Lands.

You have called for a report with respect to the communication of the 3rd instant, attached, from Captain G. A. Harrison, Secretary-Superintendent of the Church Army Juvenile Emigration Distributing Hostel, Church of England, Winnipeg, wherein he states that it is the earnest desire of the Church Army Board in London, England, to extend its activities into the Peace River district and enquires whether the unoccupied police buildings at that point might be rented at a reasonable figure.

The buildings applied for in this instance, six in number, are those on Lot 12, Peace River Landing Settlement, which have been turned over to the Department by the Royal Canadian Mounted Police. According to a report made by Mr. B. H. Wright in September, 1924, the buildings consist of barracks, value $4500, Inspector's quarters, value $1800, Sergeant Major's residence, value $200 and three old log structures of not much value. These buildings are indicated on the accompanying sketch numbered 5, 6, 7, 8, 9 and 10, respectively.

The buildings are all vacant at the present time so far as the records here show. However, in accordance with the Acting Deputy Minister's memorandum of the 13th June, 1929, the Agent of Dominion Lands, Peace River,

vas

was requested to endeavour to find suitable tenants for the buildings on a monthly basis and to collect rental in advance and report the payments to the Department in the usual way.

It would seem very desirable to have these buildings occupied and as the present applicant would be a suitable tenant, it is suggested that Captain Harrison be advised that the Department is prepared to consider a lease of the buildings as well as part of the lot to the Church, upon terms to be arranged after he has made an inspection of the buildings and a report has been obtained from the local Agent of Dominion Lands.

If this suggestion is concurred in, it would be well to advise the Agent by wire not to arrange for the rental of any of the buildings until Captain Harrison has had an opportunity to look over the property. Captain Harrison states in his letter that he will proceed to Peace River to view the buildings as soon as he receives a reply.

MEMORANDUM

J. W. Martin, Esq.,
Commissioner of Dominion Lands.

You have requested a report in connection with the Assistant Deputy Minister's memorandum of the 8th instant, hereunder, relative to the desire of Peace River Municipal Hospital District No. 21 to secure a grant of a six-acre parcel of land in the North West corner of Lot 12, Peace River Landing Settlement, Alberta, for a hospital site.

A description of the site has been furnished the Department and the parcel is shown in red lines on the attached sketch. The area is available in the records here.

Lot 12, containing 39.50 acres was set aside during pleasure for the purposes of the Mounted Police by Order in Council dated the 25th April, 1912, P.C. 1016. Subsequently, the Commissioner of the Royal Canadian Mounted Police advised the Department that a certain parcel of 1.80 acres in the lot would meet the requirements of the Police and by Order in Council of the 17th November, 1924, P.C. 1981, the remaining land in the lot, embracing 37.70 acres, was withdrawn from the reservation.

The parcel still under reservation for the Police is indicated on the sketch by a yellow border.

Inspector Hayden reports the site applied for to be mostly covered with poplar and to be worth $20 an acre. He also reports 65 rods of page wire

fencing

fencing on the site valued at $13.

There would appear to be no objection to making a sale of the hospital site upon the usual terms at the Inspector's valuation of $20 an acre, subject to payment for the fencing at the Inspector's valuation. A sale, if made, should be subject also to the right of the Provincial authorities to take for road purposes prior to the issue of patent a thirty-three foot strip of land adjoining the northern limit of the lot. The Secretary-Treasurer of the Town of Peace River has intimated to the Department that such a strip is required for a roadway.

It is observed that the President of the Peace River Board of Trade suggests that the site be donated to the Town for hospital purposes. It would be possible, no doubt, to make a free grant of the site by Order in Council under the provisions of Section 74 of the Dominion Lands Act upon payment of a patent fee of $10. Letters patent for a free grant would require to contain a clause restricting the use of the property to hospital purposes. It is thought that it would be more satisfactory to the applicant to purchase the site and obtain a grant without any restriction.

Please see my memorandum of today's date hereunder with respect to the application of the Church of England to rent the buildings on Lot 12.

W. J. Cory, Esq.,
Deputy Minister of the Interior,
OTTAWA, Canada.

Dear Sir :

It is the earnest desire of the Church Army Board in London, England, that we should at an early date extend our present activities in the Peace River district.

For the past five years our Juvenile Immigration Scheme has been operating in the three Prairie Provinces with such success that both our Board in London and our Consultative Committee here feel that it will be in the best interests of settlement and Empire if we open up a Hostel in the Peace River district similar to the one at present located at the above address.

I have corresponded with several gentlemen in the Peace River district, one being His Lordship the Bishop of Athabasca, the Right Rev. E. F. Robins, D.D., and he has suggested that I write to you concerning this matter and the possibility of renting at a reasonable figure, the police buildings at present un-occupied.

He informs me that the buildings are capable of lodging about twenty-five men. This would suit our needs admirably. At the

present moment in Winnipeg, we have accommodation for twenty lads, and our past experience has proved that this accommodation is just about sufficient.

If at all possible we should like to open up and commence our activities there on or about April 1st next.

As soon as I receive a reply from you, I shall make it my business to proceed to Peace River in order to view the buildings, etc.

Yours very truly,

Secretary-Superintendent.

GAH:R.

Ottawa, Ontario,
17th January, 1930.

Dear Mr. Trainor,

I have your letter of the 27th ultimo, in which you suggest that a portion of Lot 14, Peace River Landing Settlement, be donated to the Town of Peace River for hospital purposes.

The Department advises me that this land is available and has been reported by an Inspector to be worth $30.00 an acre.

It is the usual practice in cases of this kind to make a sale of the site at the Inspector's valuation. However, we could, subject to the authority of the Governor in Council, issue a free grant on payment of a patent fee of $10.00; such grant would contain a clause restricting the use of the property to hospital purposes only. Under the circumstances, the interested parties might consider it more satisfactory to purchase the site and obtain a grant without any restrictions. I would appreciate your views on this point.

Yours faithfully,

J. J. Trainor, Esq.,
President,
Peace River Board of Trade,
Peace River,
Alberta.

17th January, 1930.

Dear Captain Harrison,-

I have your letter of the 3rd instant, reference F. to M., in which you enquire whether the unoccupied police buildings at Peace River might be rented in connection with your Juvenile Immigration Scheme.

While our Agent of Dominion Lands at Peace River has been instructed to endeavour to find suitable tenants for these buildings, it appears that they are all vacant at the present time and the Department would be very glad to lease the buildings as well as a part of the lot on terms to be arranged after you have made an inspection of the property and a report has been obtained from our local Agent.

Our Agent at Peace River is being instructed by wire to arrange for the withholding of this property until you have had an opportunity to look it over.

Yours very truly,

Rge. 21, West 5th Mer.

The Edmonton Dunvegan and British Columbia Railway Company made application on the 21st February, 1918, for two severances in the above mentioned river lot; one severance comprising 0.66 acres and the other 0.15 acres. In a letter of the 2nd April last Mr. G.A. Latter, Right of Way and Townsite Agent has advised us that the Provincial Government has constructed a highway over the 0.66 acres and that the severance of 0.15 acres is not now required by the Railway Company.

In view of this will you please have the reservations for these severances cancelled in your records.

Dear Sir:

I would ask you to kindly take up again the matterof the transfer to the Peace River Municipal Hospital of the six acres asked for some months previous.

Hon. Charles Stewart when in Peace RIVER last fall assured the Chairman of the Hospital Board that his Department would donate this site to the Municipal Hospital Board but up to date no definite action has been taken by the Department.

The Hospital Board are desirous of renting the dwelling house nearest to the hospital site for a nurses' Home and I wish you would also take up this matter with your Department at your earliest convenience.

Dear Sir:

I attach, herewith, a letter from Mr. C. W. Richardson in which he requests to be advised as to whether the Department have decided to sell the six acres located on River Lot 12, Peace River Settlement, to the Peace River Municipal Hospital Board.

The Board is very anxious to have a decision in this matter so that they may continue their plans.

The same communication contains an application for the buildings called "Inspector's House" to be used as a Nurses' Home. This may, however, conflict with the instructions contained in your telegram of the 18th instant.

Sir,

I beg to acknowledge the receipt of your letter of the 24th ultimo, reference 72, enclosing a communication from Mr. C. W. Richardson relative to the application of Peace River Municipal Hospital District No. 21 for a grant of a six-acre parcel of land in the north west corner of Lot 12, Peace River Landing Settlement, for a hospital site.

In reply I may say that a communication was recently addressed to Mr. J. J. Trainor, President of the Peace River Board of Trade, with respect to this application and it is presumed that by this time Mr. Richardson is aware of the contents of such communication.

Regarding the desire of the Hospital District to secure the building known as the Inspector's House for a Nurses' Home, I may say that this application should be taken into consideration when furnishing a report on the application of the Church of England for a lease of the unoccupied police buildings in connection with its Juvenile Immigration Scheme. It may be found that some of the other buildings will be suitable for the requirements of the Church. However, after interviewing Captain G. A. Harrison and the hospital authorities you will be in a position to make a recommendation as to which of the applicants would be the better entitled to a lease of the building in question.

Dear Mr Smith,

In continuation of our conversation of yesterday, I quote from a letter from Captain Davison of the Salvation Army, Secretary- Superintendent, Edmonton, dated Feb. 11th addressed to myself:-

"I feel it will be in the interests of all concerned if the matter is deferred for the time being. I have communicated with our Territorial Headquarters and they at the moment feel the same. Should you at any time feel that the position would warrant us considering this matter at any future time, we shall be delighted to hear from your Lordship".

Yesterday I wrote a letter to the Salvation Army, and to Captain Davison Salvation Army, Edmonton, Alberta, with regret, stating, would be the matter of their decision not to proceed with the proposal to establish a centre for boys brought from England for work on neighbouring farms, quite clear.

In any case we were very careful to ask the hospital authorities here to negotiate all they required for hospital purposes at the old converted police barracks, before we presented any request for grant they did not intend applying, for.

Yours sincerely,

MEMORANDUM

J. W. Martin, Esq.,
Commissioner of Dominion Lands.

You have called for a report in connection with the Assistant Deputy Minister's memorandum of the 9th instant, beneath, relative to the application of Mr. J. J. Trainor, Peace River, Alberta, in behalf of Peace River Municipal Hospital District No. 21 to rent the building known as the Inspector's house on Lot 12, Peace River Landing Settlement for the purpose of a Nurses' Home.

An Order in Council was passed on the 9th instant, P.C. 756, authorizing a free grant of a six-acre parcel of land in the northwest corner of Lot 12 to the Hospital District for hospital purposes. Letters patent will be issued for this site upon the Order in Council being published in the Canada Gazette for four consecutive weeks. The site is shown outlined in red on the tracing on file.

The Inspector's house is the one marked No. 6 on the tracing. It appears to stand about fifty or sixty feet from the southern limit of the hospital site. In September, 1924, Mr. B. H. Wright valued this building at $1800.. A photograph of the building is on file.

As you are aware, this house, along with five other buildings on Lot 12, was turned over to this Department a few years ago by the Royal Canadian Mounted Police. In January last Captain G. A. Harrison of the Church of England, Winnipeg, enquired whether these

buildings

buildings might be rented in connection with the Church's Juvenile Immigration Scheme, and it was decided to have the local Agent of Dominion Lands withdraw the buildings from rental until Captain Harrison had had an opportunity to look over the property.

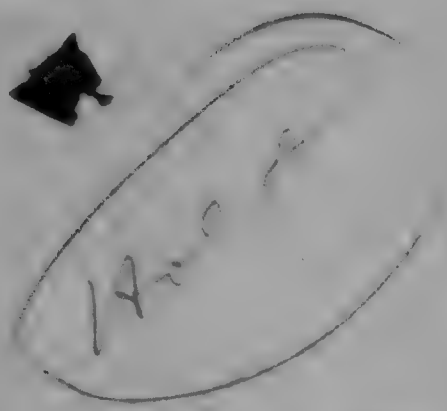
A communication is now to hand from Right Reverend Bishop Robins of Peace River, from which it is quite evident that the Church authorities are no longer interested in the buildings, at least for the present. Accordingly, I think the buildings may now be considered as available for rental.

The Agent, in a letter of the 21st ultimo, beneath, recommends that the application of the hospital authorities to acquire the Inspector's house for a Nurses' Home be given the most favourable consideration.

In view of the possibility of the policing of the Province being taken over by the Dominion, I think it would be well before arriving at a decision to enquire of Commissioner Starnes whether there is any probable likelihood of the building being required again for the purposes of the Royal Canadian Mounted Police. A draft letter to Commissioner Starnes for the Acting Deputy Minister's signature is attached.

Provided the building will not be required by the Mounted Police, I see no objection to permitting the hospital authorities to occupy the building for a Nurses' Home at a rental of $20.00 a month, payable in advance monthly. This is the same rental which was paid by Major A. E. C. McDonell during his tenure of the building.

Director,
Ordnance, Admiralty &
Public Lands Division.



28th April, 1930.

Dear Colonel Starnes,

I beg to inform you that an application has been received by this Department to acquire the Inspector's house at Peace River, being one of the buildings turned over to us by you.

Before considering the application it has been thought desirable to consult with you as to whether there is any probable likelihood of this building being required by your Force in the event of the maintenance of law and order being taken over by the Dominion under agreement with the Province.

If you will not be in need of the Inspector's house, it is our intention to grant it under lease to the Peace River Municipal District No. 21 for the purpose of a Nurses' Home.

Yours very truly,

Acting Deputy Minister.

Re Your File [illegible]

Dear Sir,

I have to acknowledge receipt of your above folio and note that the Governor in Council has authorized a free grant to the Peace River Municipal Hospital District No. 21 of 5 acres in Lot 11 Peace River Landing Settlement and that patent for this grant will be issued in due course.

In regard to the request of the Town for a 33 foot strip on the north boundary of the above mentioned grant I may say that the Hospital Board are quite willing that this 33 foot strip be excepted in the patent for the Hospital site.

Dear Mr. Stewart:- Re: Nurses Home.

I am enclosing herewith a communication received from The Secretary, Peace River Municipal Hospital District #21.

This letter speaks for itself. Personally I feel that it would be doing a great kindness if the Department could see their way fit to grant this favor, not only too the people of Peace River but to the whole Hospital District.

The house has never been rented and is in a very poor state of repair and it would cost them considerable to put it in a habitable state.

If there is anything you can do in this matter I can assure you that it would be very much appreciated

Yours Sincerely,

J. T. Trainor

Dear Sir,

I have a letter from Mr.J.W.Martin, Commissioner of Dominion Lands in which he offers to rent the Inspector's house to the Board at a monthly rental of $20.00.

I am replying to Mr.Martins letter advising him that due to the hospital's present financial standing the Board would not be in opposition to incur this extra monthly expenditure.

I would ask you therefore to again take up the matter of a further free grant of that portion of the Police property adjoining the present hospital property including the Inspector house, containing approximately 6acres, this property to be used exclusively for hospital purposes.

I might mention that the Honorable Charles Stewart at the time of his visit to Peace River last fall gave our chairman Dr.Sutherland to understand that his department would be prepared to make a free grant to the Hospital of any portion of the Mounted Police property.

The Hospital Board has found the Debenture issue inadequate to erect a suitable hospital building large enough to provide living quarters for the staff . The Board is therefore under the necessity of putting up a smaller hospital than was first planned and to provide outside living accomodation for the staff and having insufficient funds for this purpose it would appreciate very much if you would lay the matter before Mr.Stewart with a view to securing a further free grant of the property afore mentioned.

I can assure you that any service you may render the Board will be deeply appreciated.

Thanking you I remain,

Yours truly,

Secretary.

COMMISSIONER JUL 2 1930 DOMINION LANDS

MEMORANDUM:

J. W. Martin, Esq.,
Commissioner of Dominion Lands.

In his memorandum of the 20th instant, hereunder, the Acting Deputy Minister requests a report with respect to the application received on behalf of Peace River Municipal Hospital District No. 81, for a free grant of a parcel of approximately 5 acres of land in Lot 12, Peace River Landing Settlement, Alberta, on which the Inspector's house stands.

The question of the disposal of the Inspector's house to the Hospital District for a Nurses' Home was submitted in a report, hereunder, dated the 28th April last, and it was decided to permit the Hospital to occupy the building at a rental of $20.00 a month, payable in advance monthly. The decision was duly conveyed to the Secretary of the Hospital District by Departmental letter dated the 9th ultimo.

In September, 1924, Mr. B. H. Wright valued this building at $1600.00.

A free grant was recently authorized to the Hospital District of a parcel of land in the lot in question for a hospital site and Letters Patent are about to be issued for the parcel.

It would not seem that the Department would be justified in making a further free grant

to

to the Hospital, especially in view of the fact that funds of the Dominion Government were expended in the erection of the building on the additional parcel desired.

It is suggested that the Minister's correspondent be advised accordingly and told that the Department feels that the best that can be done for the Hospital District under the circumstances is to permit it to occupy the building on the terms already decided upon, viz., at a rental of $20.00 a month.

The file should be referred to the Land Patents Division as soon as possible for the purpose of issuing patent to the Hospital District in accordance with the draft received from the Justice Department.

In the meantime, patent might be issued to the Hospital District for the six acres authorized by Council.

Re File Alberta

Dear Sir,

In reply to yours of the 4th. of June I beg to say that the matter of renting the Inspectors House was brought before the Board who feel that a monthly rental of $10.00 would place too great a burden upon the hospitals finances at the present time.

I may say that at the time of Mr. Charles Stewart's visit to Peace River last fall he was interviewed by the Chairman of the Hospital Board and Mr. Stewart at this time and Dr. Sutherland to whom it was stated that his Government would donate any part of the Mounted Police property for hospital purposes.

In view of honorable Charles Stewart's promise the writer would like a further amount is being taken up with him.

Memorandum:

Mr. Martin.

Re Lot 12, Peace River Landing Settlement, Alberta. Public Lands -- Will not pass to Province when Resources are transferred.

This lot was set aside for the Royal North-West Mounted Police by Order-in-Council of the 25th April, 1912, P.C. 1016.

The Police retained 1.80 acres and the remainder of the lot (37.70 acres) was withdrawn from reservation and made available for disposal under the provisions of the Dominion Lands Act by Order-in-Council of the 17th November, 1924, P.C. 1981.

The tracing underneath has been brought to the face of the file and shows the whole lot bordered in green.

PORTIONS DISPOSED OF:

1. The parcel of 1.80 acres, bordered in yellow, was transferred to the Police by Order-in-Council of the 6th August, 1930, P.C. 1879.

2. An area of six acres (bordered in red) was granted to the Peace River Municipal Hospital District #21 by Order-in-Council of the 9th April, 1930, P.C. 756. This was a free grant for hospital purposes only. By consent of the Hospital District a strip of land 33 feet wide, adjoining

the North boundary of the lot was excepted, as indicated on the tracing, and the actual area patented to the Hospital District was 5.59 acres.

3. A patent has been issued to the Edmonton, Dunvegan and British Columbia Railway Company for 3.38 acres covering right of way. In a letter dated the 2nd April, 1929, the Right of Way Agent of the Edmonton, Dunvegan and British Columbia Railway stated that the Province had constructed a highway over the severance of .66 acres in the north-east corner of the property. We have no further information about this highway.

PORTION OF LOT UNDISPOSED OF:

This leaves approximately 23 acres yet to be disposed of. On this area are located six buildings, shown on the tracing as Nos. 5, 6, 7, 8, 9 and 10. According to a report made by Mr. B. H. Wright in September 1924, these buildings were valued as follows:-

5. Barracks.....$4500.00

6. Inspector's quarters.....$1800.00

7. Sergeant-Major's residence....$ 200.00

8, 9 and 10 three old log structures, not of much value.

PENDING APPLICATIONS:

1. The Hospital Authorities have been permitted to occupy building # 6 as a Nurses' Home at a rental of $20.00 per month, payable in advance monthly (letter of 9th May,1930). The Hospital District (letter of 7th June last) objected to paying $20.00 per month for this building, and asked for a further free grant of that portion of the Police property adjoining the part already granted to the Hospital including the Inspector's house (Building # 6). The area of this further free grant is stated to be six acres (boundaries not defined, and not shown on tracing).

This application was submitted for consideration on the 2nd July last (memorandum marked) with a recommendation that the best that could be done would be to permit the

hospital authorities to occupy the building on the terms already decided upon ($20.00 per month).

2. Mr. George Craddock of Carbon, Alberta, applied to buy the Police buildings (see Agent's letter of the 11th June last).

3. Provincial Liquor Control Board Officials enquired whether the Department would lease building #6. Reply made that building was not available as Hospital District had been permitted to occupy it.

4. On the 10th June, 1929, the Town of Peace River applied for a strip of 33 feet off the Northern boundary of lot 12. A lane 33 feet wide was already in use, being the southerly 33 feet of River Lot 11 immediately adjoining to the north. It is the desire of the Municipal Council to widen this roadway to 66 feet. On the 9th September, 1929, the Provincial Director of Surveys at Edmonton was furnished with a copy of the Town's application, "as all questions pertaining to roadways come within the scope of the Province".

VALUATION

No recent valuation appears to have been made except that an Inspector reported on the 10th October last that the area granted to the Hospital, was worth $20.00 per acre, in view of the fact that the land was to be used for hospital purposes. The parcel appears to be on the outer edge of the town, about half a mile from the centre thereof. (see key plan marked).

The buildings Nos. 5, 7, 8, 9 and 10 appear to be vacant at the present time.

The under rights are under Petroleum and Gas Lease No. 43038 issued to Alice George, of Peace River, for a period of twenty-one years from the 5th July, 1929, which lease was assigned to "4X Oils" Limited, in whose name it now stands.

RECOMMENDATIONS

1. That none of the pending applications be entertained.

2. That Mr. Matheson be asked to submit a recommendation as to sub-division of the area in the control of the Department into suitable streets and lots. He might be asked also to suggest the best means of disposal of the buildings (whether they should be demolished or whether they should be disposed of with a suitable area attached in each case after the subdivision survey has been made).

The application of the Hospital District can then be further dealt with as may seem advisable.

In his further wire of the 31st instant Mr. Harvie states that Dr. F. W. Sutherland, representing Peace River Municipal Hospital District wishes to make [illegible] of the orderly building on Lot 12 for a Nurses' Home.

In May last the Hospital District was permitted to occupy the Inspector's House for a Nurses' Home at a rental of $20.00 a month. Apparently the hospital authorities have changed their plans.

The orderly building described as such cannot be definitely identified from the information in file. Apparently it is the building referred to in the correspondence as the barrack building shown as Number 5 on the sketch. This building is [illegible] property under the control of this Department, it being one of the buildings handed over to the Department by the Royal Canadian Mounted Police.

By letter dated the 7th instant Mr. D. T. Matheson was requested to make an inspection and report as to the best method of disposing of the land and buildings.

Under the circumstances I beg to recommend that we advise Mr. Harvie that Mr. Matheson has been requested to make an investigation and report as to the best method of disposing of the land and buildings, and suggest that he furnish the latter with full particulars as to the requirements of the Province and the hospital authorities.

A draft wire to Mr. Harvie is attached.

MEMORANDUM:

J. W. Martin, Esq.,
Commissioner of Dominion Lands.

Re Application of Peace River Municipal Hospital District No. 21 to secure Inspector's House on Lot 12, Peace River Landing Settlement, Alberta, for Nurses' Home.

This building is the one marked No. 6 on the tracing on file herewith. It was valued in September, 1924, at $1800.00. This house, along with five other buildings on Lot 12, was turned over to this Department a few years ago by the Royal Canadian Mounted Police.

The application of the Hospital District to acquire this building was considered in April last, and the hospital authorities were given permission to occupy the house at a rental of $30.00 a month.

These terms were not satisfactory to the hospital authorities, as they felt that a monthly rental of $30.00 would place too great a burden upon the hospital's finances.

The hospital expressed a desire to secure a free grant of the building along with a site of approximately six acres of land.

A

A final decision was not arrived at with regard to the application for a free grant.

In October last the late Mr. Matheson was requested to make an inspection of the property and report as to the best method of disposing of the land and buildings.

In his memorandum of the 11th instant, hereunder, the Deputy Minister directed that Mr. Bannerman be asked to have this matter attended to immediately and to wire in his report. At the same time it was pointed out that Mr. Bannerman's report should also cover the application of the Hospital Board for a ten-year lease of the Inspector's House at a nominal rental of $1.00 a year.

A wire, dated the 16th instant, is now to hand from Mr. Bannerman, wherein it is recommended that House No. 6, that is, the one known as the Inspector's House, be leased to the Hospital District for ten years at a rental of $1.00 per year.

The wire reads as follows:-

"Your telegram 11th re Lot 12 Peaceriver Landing old Northwest Mounted Police building Stop Have inspected all property Stop Interviewed Richardson Secretary and Dr Sutherland Chairman Hospital Board Stop Recommend that House Number Six be leased to them for 10 years one dollar per year Stop Unable to give full report by wire Stop Will mail report Thursday 18th from office."

As will be observed, Mr. Bannerman will mail a full report from Edmonton today.

It would seem necessary to await the receipt of Mr. Bannerman's full report before deciding what extent of land might be disposed of in connection with the Inspector's House.

In the event of the application being given favourable consideration the usual lease fee of $10.00 will be payable, in addition to the rental charge. As you are aware, an Order in Council will be necessary to authorize the lease.

The remaining buildings on the lot which are under the control of this Department are those numbered 5, 7, 8, 9 and 10. Of these No. 5, known as the barrack building, is the only one of any considerable value. It was valued in 1924 at $4800.00. Building No. 7, known as the Sergeant Major's Residence, was valued at $3000.00. Those numbered 8, 9 and 10 consist of three old log structures of not much value.

Attached to file are some photographs of these buildings. They were furnished the Department by Commissioner Starnes a few years ago.

In July last a free grant was made to the Hospital District of a parcel of 5.59 acres in the lot in question for a hospital site. This site is indicated by a red border on the tracing. (A strip of land 33 feet wide adjoining the northerly limit of the site was excepted for a roadway.)

It may be added that the land in question was excepted in the transfer of the natural resources to the Province by virtue of Section 18 (b) of the Alberta Agreement.

ASSISTANT COMMISSIONER OF DOMINION LANDS

1431.

EDMONTON, Dec. 16th, 1930.

Dear Sir,

Referring to your letter of the 7th October, last, your file No. 2150373, which pertains to Lot 12, Peace River Landing Settlement in connection with the old Mounted Police property at that point, and also to your telegram of the 11th instant, asking for an immediate report upon the same, I beg to say that I have made an inspection of this property and on the 15th instant I forwarded you the following lettergram:

"Your telegram 11th re Lot 12 Peace River Landing Old North West Mounted Police buillings Stop Have inspected all property Stop Interviewed Richardson Secretary and Dr. Sutherland Chairman Hospital Board Stop Recommend that house No. 6 be leased to them for ten years one dollar per year Stop Unable to give full report by wire Stop Will mail report Thursday, eighteenth from Office."

I wish to say that I went over this entire property and the buildings situated thereon and inspected very closely House No. 6, which has been leased for under a nominal lease by the Peace River Hospital Board for the purpose of a nurses' home. This building is in a very good state of repair, but as it, as well as all others on this property, stands, is of absolutely no value at the present time from a point of sale or salvage. Under the latter case, if it was the desire on the part of the Department to have these buildings demolished, it would be a matter

.....of expense

J. W. Martin, Esq.,
Commissioner of Dominion Lands,
Department of the Interior,
OTTAWA, Ontario.

DEC 21 1930

of expense to the Department as well as giving the material to the party or parties that took the contract to carry out this work.

My own opinion is, and one that I would recommend, as stated in my letter prior to yours, would be to give this residence No. 6 to the Peace River Hospital Board on a lease for ten years for a nominal sum of $1.00 per year and that the Board be bound down to keep the same in a first class state of repair at their own expense, or to give them the privilege to purchase the same at any time they feel in a financial position to do so, at a valuation placed thereon by a Departmental Inspector. According to my valuation Residence No. 6 would be worth $1200.00 at present. To my mind this would be a fair valuation for the same, with a small allotment of land.

Residence No. 7 is practically of no value, excepting from a salvage standpoint, as well as Nos. 8, 9 and 10, which are in the same position. I might say that Residence No. 5, which is known as the barracks, is valued by me at the present time at $2200.00. I did not make any inspection of the block with the other buildings which was reserved for the Mounted Police.

In giving a lease to the Hospital Board on Residence No. 6, the allotment of land which should go with the house in order that it would not interfere with No. 7, would be as follows:-

> Starting at the South West corner of the South boundary of the land given to the Hospital Board and running East six rods and then South fourteen rods and then turning West to the road allowance.

This would give a small block for garden purposes as well as frontage for the benefit of the residence in question.

Insofar as the matter of sub-dividing the balance of the property into Lots is concerned, it would be an expenditure made that could not be realized

.....upon

upon in any manner at the present time, as I was informed that the town had many Lots for sale which had been taken over for delinquent taxes and close-in Lots could be bought on some of the residential streets for as low as $20.00 a piece and there is no sale for the same even at the prices as stated.

In conclusion I wish to say that if the Department see fit to give a lease of this property to the Hospital Board, as recommended by me, it will be a great advantage to the town as well as the surrounding country and will help the Hospital Board to provide accommodation for their staff without additional expenditure on their part.

Yours sincerely,

J. A. Bancerne

MEMORANDUM:

J. W. Martin, Esq.,
Commissioner of Dominion Lands.

Re Application of Peace River Municipal Hospital District No. 21 to secure Inspector's House on Lot 12, Peace River Landing Settlement, Alberta, for Nurses' Home.

Referring to my report of the 13th instant, as well as the Deputy Minister's memorandum of the 19th idem, Mr. Barnerman's report in this matter is now to hand.

Following is the substance of the report:

Inspector's House.

This building in very good state of repair, present value $1200.00. Recommended that building be leased to Hospital District for ten years at a nominal rental of $1.00 a year, with provision that building be kept in first class state of repair at expense of Hospital District. It is suggested that a lease to the hospital include an allotment of land described as follows:-

"Starting

"Starting at the South West corner of the South boundary of the land given to the hospital Board and running East six rods and then South fourteen rods and then turning West to the road allowance."

The suggestion is made that the Hospital District be given the privilege of purchasing the building at a valuation at any time it finds itself in a financial position to do so.

Mr. Bannerman points out that a lease to the Hospital District would be a great advantage to the Town, as well as to the surrounding country, and would enable the hospital Board to provide accommodation for the staff without additional expenditure.

Other Buildings.

Building No. 7 (Sergeant Major's residence) and buildings numbered 8, 9 and 10 (old log structures) are practically of no value except from a salvage standpoint. According to Mr. Bannerman, the demolishing of these buildings would be a matter of expense to the Department and, besides, would mean giving the material to the party who took the contract to carry out the work.

Building No. 5, known as the Barracks, is valued at $2200.00.

Question of Subdivision.

Mr. Bannerman states that, insofar as the matter of subdividing the balance of the property into lots is concerned, this would mean an expenditure that could not be realized upon in any manner at the present time. He states that he was informed that the Town had many lots for sale which had been taken over for taxes, and that close-in lots could be purchased on some of the residential streets for as low

as

as $30.00 each and that there is no sale for the same ever at this price.

Recommendation.

Under the circumstances I beg to recommend that the Hospital District be permitted to lease the Inspector's House with the parcel of land described by Mr. Bannerman for a term of ten years, at a nominal rental of $1.00 a year, the lease to be subject to the usual conditions and to include a proviso with respect to the building, reading as follows:-

> And that the Lessee shall within a reasonable time from the date hereof well and substantially repair the building on the said land and shall at all times during the said term keep the same in good repair and condition, the repairs to be to the satisfaction of the Minister.

As pointed out in my previous report, the usual lease fee of $10.00 will be payable in addition to rental.

In the event of this recommendation being approved, it is suggested that the Hospital District be fully advised in the matter and requested to remit the lease fee and the first year's rental before steps are taken to obtain the necessary Order in Council authorizing the Lease.

Acting Director,
Ordnance, Admiralty &
Public Lands Division.

Memorandum.

Re: Lot 12, Peace River Landing Settlement, Alberta.

This property is under Dominion control by virtue of Section 10 (b) of the Alberta Natural Resources Agreement. While no decision has been reached as to the policy in dealing with these lands, it might be advisable to go ahead with this application in view of the fact that the Department is practically committed to issue a lease of the Inspector's House and surrounding land to the Hospital Board. At a later date the property could be turned over to the Province subject to this lease.

D.J. McD.

Ottawa, Ontario,
27th January, 1951.

Dear Sir,

With reference to the application of the Peace River Municipal Hospital District No. 21 to secure a portion of Lot No. 12, Peace River Landing Settlement, as well as a lease of the Police residence at a nominal rental, I may say that the Inspector's report has just been placed before me.

In view of the circumstances as outlined by the Inspector I am prepared to recommend that a lease for a term of ten years at a nominal rental of $1.00 per year be granted to the Hospital District covering the house with the parcel of land described by the Departmental officer who recently looked over the property, such lease to be subject to the usual conditions, as well as one providing that the building be kept in a first class state of repair at the expense of the hospital District.

I have not had an opportunity of discussing this application in Council, and before dealing with the matter further I wish you would let me know whether the conditions as outlined in the attached draft lease are satisfactory to the Hospital Board and whether the boundaries of the parcel as described in the lease fully cover the land applied for. If this draft lease meets with the approval of the Hospital Board and you will so advise me and at the same time send in the first year's rental of $1.00, together with the usual office fee of $10.00 for the preparation of a lease, the application will be placed before Council for consideration.

Yours very truly,

C. F. Richardson, Esq.,
Secretary,
Peace River Municipal Hospital
District No. 21,
Peace River, Alberta.

Memorandum:

Re - Mr. Harvie's wire hereunder -

Lot 12, Peace River Landing Settlement, is under Dominion control by virtue of Section 12 (b) of the Alberta Natural Resources Agreement.

The Peace River Municipal Hospital District has applied for a portion of this lot on which the Police residence is located and on the 27th ultimo, the Minister wrote to Mr. J.W. Richardson, the Secretary, stating that he was prepared to recommend a lease for a term of 10 years at a nominal rental of $1.00 per year, and a copy of the proposed lease was sent to Mr. Richardson asking him whether the conditions outlined therein were satisfactory to the Hospital Board.

Insofar as we know, no reply has been received from Mr. Richardson.

I presume a letter might be prepared for the Minister's signature to the Honourable H.G. Reid, Minister of Lands and Mines, along the lines of the Minister's letter to Premier Anderson with respect to the North Battleford Police property.

J. HARVIE ACTING DEPUTY MINISTER.

Ottawa, Ontario,
20th February, 1931.

Dear Mr. Reid,

I have had under review your Acting Deputy Minister's wire of the 14th instant to the Department, relative to Lot 12, Peace River Landing Settlement, on which there are a number of buildings formerly utilized as Mounted Police Headquarters.

Patent for 5.59 acres of the lot was issued to the Peace River Municipal Hospital District No. 21 on the 22nd July last, while 1.80 acres was transferred to the Royal Canadian Mounted Police by Order-in-Council of the 6th August, 1930. Approximately 28 acres, on which there are a number of valuable buildings, is still available and I have recently had some correspondence with Mr. C.W. Richardson, Secretary of the Peace River Municipal Hospital District, with respect to the issue of a ten-year lease at a nominal rental of $1.00 per year, covering forty-three one-hundredths of an acre, on which the police residence is located. In this connection I am enclosing for your information a copy of my letter of the 27th January last to Mr. Richardson, from which you will note he has been told that, subject to the authority of Council, a lease will be issued to the Hospital District.

It seems clear that the Dominion owns this property and it therefore becomes a question of policy whether it is to be transferred to the Province and if so, whether any charge is to be made for the improvements made by the Dominion on the land. This matter is now under consideration by the Government and it is hoped that a definite decision will shortly be reached. I will then write you further.

Yours very truly,

The Honourable H.C. Reid,
Minister of Lands and Mines,

Copy for

Sir,

A few months ago Orders in Council were passed transferring to the Royal Canadian Mounted Police certain sites required for police purposes in Fort Vermilion, Lesser Slave Lake and Peace River Landing Settlements. These Orders were forwarded to the Registrar of Land Titles, Edmonton, for registration and Duplicate Certificates of Title have been furnished the Department bearing numbers 15.C.74, 69.P.74 and 70.P.74. The Registrar has presented an account of $15.00 for the issue of these titles.

It is thought that a transfer from one Department of the Government to another by Order in Council is on a somewhat different basis from an ordinary transfer from one individual to another, and that upon the matter being brought to your attention you would feel disposed to authorize the Registrar to waive the fees in these cases. I assure you that your co-operation in this matter would be greatly appreciated.

Will you kindly advise the Department of your decision in this regard either directly or through the Registrar, to whom a copy of this letter is being forwarded for his information.

Honorable Thos. A. Murphy,
Minister of the Interior,
Ottawa,
Ont.

Dear Sir,

Replying to yours of the 27th of January last enclosing Lease for the Boards signatures I wish on behalf of the Board to thank you for the opportunity you have afforded the Hospital District of securing the use of the Police Residence at a nominal rental.

The Lease is quite satisfactory in every respect with the exception of the length of the south boundary which if left as you suggest namely 302/3 ft. would not allow for any back door space for the residence.

I would respectfully suggest that you extend the length of this boundary to 33 ft. thus affording a back door space as per my attached sketch.

If you would kindly make this alteration in the Lease and return it for signatures I will remit the fees requested.

Thanking you I remain,

Yours truly,

(Sgd.) C. W. Richardson

Secretary.

Ottawa, Ontario,
30th March, 1931.

Dear Sir,

I have your letter of the 21st ultimo, respecting the application of the Peace River Municipal Hospital District to secure a ten-year lease at a nominal rental of $1.00 per year of that portion of Lot 14, Peace River Landing Settlement, on which the Police residence is located, and note that the provisions in the draft form of lease which I sent you on the 27th January last are satisfactory. You suggest, however, that the length of the south boundary of the property be extended to ninety-nine feet in order to provide additional space at the rear of the residence.

This property is still under Dominion control by virtue of Section 15 (b) of the Natural Resources Agreement with the Province of Alberta, being unpatented land upon which public money of Canada has been expended. The Provincial Authorities have applied for the land and buildings and it has been decided to turn over to the Province of Alberta all properties of this nature, and Premier Brownlee has been so advised. Of course in this case the transfer will be made subject to the existing commitment.

Under the circumstances the very best that can now be done is to transfer the property to the Province and at the the same time send to the Provincial Authorities full particulars of this Department's commitment to the Hospital District, in order that the lease may be secured from the Province.

Yours very truly,

Ottawa, 28th July, 1931.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

Whereas, under the provisions of the agreement dated 20th March, 1930, between the Governments of the Dominion of Canada and of the Province of Alberta respectively, (ratified and given the force of law by the British North America Act, 1930) the unalienated Natural Resources within the Provincial boundaries were transferred to the said Province, and it was expressly stipulated, by clause 18 thereof, that nothing in the said agreement should be interpreted as applying so as to affect or transfer to the administration of the Province, inter alia,

> "(b) any ungranted lands of the Crown upon which public money of Canada has been expended or which are, at the date upon which this agreement comes into force, in use or reserved by Canada for the purpose of the Federal administration".

And whereas Lot 12, Peace River Landing Settlement in the Province of Alberta, as shown on a map or plan of survey approved by E. Deville, Esquire, Surveyor General of Dominion Lands on the 16th of March, 1914, appears, by virtue of this stipulation, to have continued to be vested in, and administered by the Government of Canada for the purposes of Canada.

And whereas the undersigned is of the opinion that it would be in the public interest to place the said

Province in a position to administer the said land, along with those which already have been transferred to the Province, as aforementioned, for the purposes thereof, and, to that end, recommends that the said land be transferred to the said Province.

Now, therefore, His Excellency The Governor General in Council, on the recommendation of the undersigned, is pleased to order, and it is hereby ordered, that the interest of the Crown in the said Lot 12 and in the mines, minerals, (precious and base) and royalties derived therefrom, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the Province of Alberta, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

MEMORANDUM:

Mr. Hume

Lot 12, Peace River Landing Settlement, containing 39.5 acres.

In view of a request from Mr. Harvie to have the land mentioned transferred to the Province as soon as possible, I am submitting this case as to whether the attached Memorandum to Council is satisfactory.

This land comes under the heading of Section 18, paragraph "b", in the agreement between the Dominion and the Province of Alberta dated the 29th of December, 1929, which is as follows:

> "Any ungranted lands of the Crown upon which public money of Canada has been expended or which are, at the date upon which this agreement comes into force, in use or reserved by Canada for the purpose of the Federal administration".

You will note on File 3687 O.L., herewith, that the Premier of Alberta in his communication of the 9th ultimo (marked) to our Minister stated that his letter of the same date (marked) also related to the lands in paragraph "b" of Section 18 above quoted, in that, "the Dominion will be prepared to make allowance for depreciation and that the basis of agreement will be the fair present value of such improvements. Buildings, of course, depreciate and I presume the Dominion does not expect us to pay the amount of the original outlay, regardless of the present condition or value of the improvements made". He also stated that he was quite prepared on this basis to enter into such undertaking, and that such undertaking was thereby given.

The lot in question contains 39.5 acres. The following parts of the lot have been patented:

3.38 acres - Right of Way
1.80 acres - Transferred to R.C.M.P.
5.59 acres - Patented Peace River Hospital District No. 21.

This leaves a balance of approximately 28.73 acres to be administered by the Province.

I do

I do not consider that it is necessary to show in the Memorandum to Council the exclusion of the minerals in the 1.80 acres transferred to the R.C.M.P., in that paragraph 11 of the Placer Mining Regulations and paragraph 16 of the Quartz Mining Regulations provide that a licensee may not prospect on reservations made by the Dominion of Canada.

It is also to be noted that no mention is made in the Memorandum to Council as to the payment for improvements. It is considered that Mr. Brownlee's letter of the 9th ultimo (marked) provides for this.

This Memorandum to Council is along the lines of that dated the 26th of March, 1913,(marked) as submitted by the Deputy Minister of Justice covering lands in paragraph "a" of Section 18.

In view of the fact that file No. 3687 O.L. is being consulted daily, will you kindly endeavour to return same as soon as possible.

DOMINION LANDS

Dear Mr. Edwards -

Your file 425/31.

On the 27th March last you were good enough to let me have a draft form of Memorandum which could be submitted to Council for the purpose of recommending the transfer to the Province of Saskatchewan of certain lands within the Province which, under the terms of the general reservation embodied in clause 19 in the agreement for the transfer of the natural resources to the Provinces, continued to be vested in and administrable by the Government of Canada for the purposes of Canada.

It is now found desirable that we should have a similar Memorandum to Council which would take care of lands which fall under Clause B of the General Reservation.

Attached hereto please find a proposed draft similar to the Memorandum to Council which took care of Class A lands under the General Reservation Clause. This proposed Memorandum to Council is identical with the one you supplied this Department with the exception that clause B is inserted in the place of clause A.

I would be very glad if you would advise me if this proposed Memorandum is satisfactory.

DEPARTMENT OF THE INTERIOR

Dear Sir:-

I beg to reply to your letter of the 4th instant submitting for my consideration the accompanying draft of a report proposed to be made to Council for the purpose of recommending the transfer to the Province of Saskatchewan of certain lands within the province, which under the terms of the general reservation embodied in clause 19 of the agreement for the transfer of the natural resources to that province, continued to be vested in, and administrable by, the Government of Canada for the purposes of Canada.

I observe that the present draft report relates to the lands described in paragraph (b) of clause 19 of the said agreement, and subject to that variation, is identic in its terms with the draft report relating to the lands described in paragraph (a) of the said clause, which accompanied my letter to you of 27th March last.

Memorandum:

Mr. Hume.

On the 28th of February last the Minister wired the Premiers of Alberta, Saskatchewan and Manitoba to the effect that we were taking steps to transfer to the Provinces by Order-in-Council, subject to existing commitments, those lands which apparently should have been transferred by the Natural Resources Agreement, but which the wording of that agreement did not effectively transfer. The Minister further stated that in these cases we wished their undertaking that on final adjustment of Natural Resources matters the Dominion will be credited with the sum agreed upon for the outlay so made.

According to this file the Premier of Alberta (Mr. Brownlee's letter of 9th June, 1931, marked) is the only one to advise that he is prepared to enter into such undertaking, and such undertaking was thereby given.

It is possible that communications have been received from Premiers Anderson and Bracken, but, if so, copies of same are not on this file.

I assume that it is not in order to transfer clause (b) lands to either the Provinces of Saskatchewan or Manitoba until such time as assurance has been given that with the final adjustment of the Natural Resources matters the Dominion will be credited with the sum agreed upon for the outlay so made.

J. C. Howard.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

Whereas, under the provisions of the agreement dated the 14th of December, 1929, between the Governments of the Dominion of Canada and of the Province of Alberta respectively, (ratified and given the force of law by the British North America Act, 1930) the unalienated natural resources within the provincial boundaries were transferred to the said Province, and it was expressly stipulated, by clause 18 thereof, that nothing in the said agreement should be interpreted as applying so as to affect or transfer to the administration of the Province, inter alia,

> "(b) any ungranted lands of the Crown upon which public money of Canada has been expended or which are at the date upon which this agreement comes into force, in use or reserved by Canada for the purpose of the Federal administration".

And whereas the lands described in the schedule annexed hereto appear, by virtue of this stipulation, to have continued to be vested in, and administrable by, the Government of Canada for the purposes of Canada.

And whereas the undersigned is of the opinion that it would be in the public interest to place the said Province in a position to administer these lands, along with those which already have been transferred to the Province, as aforementioned, for the purposes thereof, and, to that end, recommends that the said lands be transferred to the said Province.

Now, therefore, His Excellency the Governor General in Council (or as the case may be, the Deputy of His Excellency the Administrator), on the recommendation of the undersigned, is pleased to order, and it is hereby ordered, that the interest of the Crown in the lands described in the schedule annexed hereto and in the mines, minerals, (precious and base) and royalties derived therefrom, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the Province of Alberta subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

Respectfully submitted,

Minister of the Interior.

Precis for the Clerk of the Privy Council.

By the terms of the Memorandum to Council herewith it is proposed to transfer to the Province of Alberta any right, title and interest which may now be vested in the Government of Canada in such land, saving and excepting approximately 1.80 acres transferred to the Royal Canadian Mounted Police.

By Order-in-Council dated the 17th of November, 1924, P.C. 1981, the land in this lot, excepting the part described in the Memorandum to Council herewith, containing approximately 1.80 acres, was withdrawn from the Police Reserve and was made available for disposition under the provisions of the Dominion Lands Act.

The following portions of this lot have been disposed of:

3.38 acres - patented Right of Way
5.59 acres - patented Peace River Hospital
1.80 acres - transferred to R.C.M.P.

This leaves approximately 28.73 acres to be transferred to the Province of Alberta. On this area are six buildings numbered 5,6,7,8,9 and 10 - see sketch attached. No.5, formerly the R.C.M.P. barracks, is valued at $2200.00: No.6, a house, at $1200.00: Nos. 7,8,9 and 10, no value.

The Memorandum to Council is in accordance with a draft furnished by the Department of Justice.

It is requested that three copies of the Order-in-Council be furnished the Department of the Interior.

Memo for the Clerk of the Privy Council.

An Order in Council dated the 13th April, 1[illegible], P.C. [illegible], Lot 12, Peace River Landing Settlement, Alberta, containing [illegible] acres, was set apart, during pleasure, for the purposes of the Royal North West Mounted Police, now the Royal Canadian Mounted Police.

On July, 1924, the then Commissioner of the Royal Canadian Mounted Police consented to the relinquishment to the Department of the Interior of the rest of the land from this Police Reserve, together with such buildings thereon as were not required for the maintenance of a small police detachment.

The Mounted Police wished to retain a certain parcel in the lot, comprising an area of 1.[illegible] acres, and an Order in Council was passed on the 17th November, 1924, P.C. 18[illegible], withdrawing the remainder of the land in the lot, comprising 3[illegible].70 acres, from the Police Reserve, in order that it might be available for disposal under the provisions of the Dominion Lands Act.

There are six buildings in the area withdrawn from the police reserve, the positions of which are indicated on the accompanying plan. These consist of the barracks building, inspector's house, Sergeant Major's residence and three old log structures.

In December, 1930, an officer of the Department valued the Inspector's house at $12[illegible], and the barracks building at $220. He reported that the four other buildings were practically of no value, except from a salvage standpoint.

The Inspector's house and barracks building are indicated on the accompanying plan by the numbers 6 and 8, respectively.

The property in question did not pass to the control of the province with the transfer of the natural resources, it being ungranted land, upon which public money of Canada was expended, and consequently was excepted from the transfer by section 1 (b) of the Alberta Natural Resources Agreement.

Under the authority of an Order in Council, dated the

[illegible]....

9th April, 1930, P.C. 736, a parcel of 5.59 acres, in the south west corner of Lot 11, was patented to Peace River Municipal Hospital District No. 21 for Hospital purposes.

The Hospital District was very anxious to secure the Inspector's house, as well as the site on which the building stands, for a Nurses' Home, and in January, 1931, the Secretary of the Hospital District was given to understand that, subject to the authority of Council, a lease for a term of ten years at a nominal rental of $1.00 a year would be issued to the Hospital covering the house and site.

Just about this time a wire was received from the Department of Lands and Mines, Edmonton, Alberta, stating that the Provincial authorities were most anxious to know whether they might take possession of the old police buildings, controlled by the Department of the Interior, for the purposes of the Alberta Provincial Police.

Under the circumstances, it was decided to turn over the Dominion's interest in the property to the Province of Alberta, and the Secretary of the Hospital District was advised accordingly, and at the same time full particulars of the Department's commitment to the Hospital District would be furnished the Provincial authorities, in order that a lease might be secured from the Province.

The parcel of 1.43 acres, referred to, which was retained for police purposes, was transferred to the Royal Canadian Mounted Police by Order in Council dated the 6th August, 1930, P.C. 1049. The mines and minerals were reserved in the transfer, as the under rights in this particular area passed to the Province with the transfer of the Natural Resources.

In addition to the allocations referred to, a parcel of 3.34 acres in the lot was retained as a

Railway

railway right-of-way and a lease was issued for the petroleum and natural gas rights in the whole of the lot.

It is pointed out in the accompanying memorandum to Council that it would be in the public interest to place the Province of Alberta in a position to administer the land in Lot 12, excepting the parcel transferred to the Mounted Police, and it is recommended that the interest of the Dominion in the property, including the buildings and improvements, be transferred to the Province, subject to any trusts existing in respect thereof, and to any interest other than that of the Dominion in the same.

The proposed action is in line with the policy of turning over to the respective Provincial authorities for administration the several properties not further required for federal purposes which were reserved to the Dominion under clause (b) of the General Reservation Section contained in the Agreements with the Western Provinces. The Premier of Alberta has given an undertaking in writing that the fair present value of the improvements on lands which may be transferred to the Province, will be credited to the Dominion in any financial adjustment which may be made between the Dominion and the Province.

It is desired that a certified copy of the Order in Council, which may be passed in this matter, be forwarded to the Deputy Minister of Lands and Mines, Edmonton, Alberta.

P.C.2580.

Council has directed that this Report be referred back to the Minister of the Interior with the request to "please reserve for later consideration".

Precis for the Clerk of the Privy Council.

By Order in Council dated the 25th April, 1912, P.C. 1016, Lot 12, Peace River Landing Settlement, Alberta, containing 39.50 acres, was set apart, during pleasure, for the purposes of the Royal North West Mounted Police, now the Royal Canadian Mounted Police.

In July, 1924, the then Commissioner of the Royal Canadian Mounted Police consented to the relinquishment to the Department of the Interior of the most of the land from this Police Reserve, together with such buildings thereon as were not required for the maintenance of a small police detachment.

The Mounted Police wished to retain a certain parcel in the lot, comprising an area of 1.80 acres, and an Order in Council was passed on the 17th November, 1924, P.C. 1981, withdrawing the remainder of the land in the lot, comprising 37.70 acres, from the Police Reserve, in order that it might be available for disposal under the provisions of the Dominion Lands Act.

There are six buildings on the area withdrawn from the Police Reserve, the positions of which are indicated on the accompanying plan. These consist of the barracks building, Inspector's house, Sergeant Major's residence and three old log structures.

In December, 1930, an officer of the Department valued the Inspector's house at $1200, and the barracks building at $2200. He reported that the four other buildings were practically of no value, except from a salvage standpoint.

The property in question did not pass to the control of the Province with the transfer of the natural resources, it being ungranted land, upon which public money of Canada was expended, and consequently was excepted from the transfer by Section 18 (b) of the Alberta Natural Resources Agreement.

Under the authority of an Order in Council, dated the

9th April, 1930, P.C. 756, a parcel of 5.59 acres, in the north west corner of Lot 12, was patented to Peace River Municipal Hospital District No. 21 for hospital purposes.

The Hospital District was very anxious to secure the Inspector's house, as well as the site on which the building stands, for a Nurses' Home, and in January, 1931, the Secretary of the Hospital District was given to understand that, subject to the authority of Council, a lease for a term of ten years at a nominal rental of $1.00 a year would be issued to the Hospital covering the house and site.

Just about this time a wire was received from the Department of Lands and Mines, Edmonton, Alberta, stating that the Provincial authorities were most anxious to know whether they might take possession of the old police buildings, controlled by the Department of the Interior, for the purposes of the Alberta Provincial Police.

Under the circumstances, it was decided to turn over the Dominion's interest in the property to the Province of Alberta, and the Secretary of the Hospital District was advised accordingly, and at the same time told that full particulars of the Department's commitment to the Hospital District would be furnished the Provincial authorities, in order that a lease might be secured from the Province.

The parcel of 1.80 acres, referred to, which was retained for Police purposes, was transferred to the Royal Canadian Mounted Police by Order in Council dated the 6th August, 1930, P.C. 1879. The mines and minerals were reserved in the transfer, so the under rights in this particular area passed to the Province with the transfer of the natural resources.

In addition to the alienations referred to, an area of 3.38 acres in the lot was patented as a

railway

railway right-of-way and a lease was issued for the petroleum and natural gas rights in the whole of the lot.

It is pointed out in the accompanying memorandum to Council that it would be in the public interest to place the Province of Alberta in a position to administer the land in Lot 12, excepting the parcel transferred to the Mounted Police, and it is recommended that the interest of the Dominion in the property, including the buildings and improvements, be transferred to the Province, subject to any trusts existing in respect thereof, and to any interest other than that of the Dominion in the same.

The proposed action is in line with the policy of turning over to the respective Provincial authorities for administration the several properties not further required for federal purposes which were reserved to the Dominion under clause (b) of the General Reservation Section contained in the Agreements with the Western Provinces. The Premier of Alberta has given an undertaking in writing that the fair present value of the improvements on lands which may be transferred to the Province, will be credited to the Dominion in any financial adjustment which may be made between the Dominion and the Province.

It is desired that a certified copy of the Order in Council, which may be passed in this matter, be forwarded to the Deputy Minister of Lands and Mines, Edmonton, Alberta.

By Order in Council of the 26th April, 1912, this property, comprising approximately 40 acres, was set aside for the purposes of the Royal North West Mounted Police. Deputy Minister:

Attention: Director of Lands & Development Services.

Under date of June 29th you passed a memorandum to Mr. Jackson regarding my enquiry in connection with Lot 12, Peace River Landing Settlement, formerly R.C.M.P. property. We now have a further enquiry wondering if it would be possible to get a copy of the transfer which occurred on the 23rd of February, 1938, which would show the legal description of the land. If there were a sketch map of the lot in question with the barracks building marked, it would be very useful.

numbered 18, Heftenbury Settlement, could not be ascertained as the claim to a free grant had been exhausted and it was not considered that the available lands set apart for the granting to one person of more than one parcel of land, under the provisions of sub-section (e) of section 76, which reads as follows:-

"Upon the establishment of the Indian title in any territory or tract of land, power is reserved arbitrarily or, failing arbitrary reservation of any lands within the said territory or tract at the date of such establishment, by their own ordinance or that of their servants, tenants or agents, in actual occupation thereof, free grants of the said lands, provided that an area not more than equal to a quarter section shall be granted to any one person unless there has been cultivation of more than that area."

Mr. Brick states that he now desires the said lot 1, Heftenbury Settlement, as a free grant and to be permitted to purchase the said lot 6, Fort Ivor and Salt Prairie Settlement. Under the circumstances, I think it might be advisable to comply with Mr. Brick's wishes in the matter in which event he will require to re-vest in the Crown the latter parcel, when he might be permitted to purchase the same and an order in Council authorizing a grant to him of the said lot 1, Heftenbury Settlement, would require to be obtained, the maximum area of 6 acres to be sold for.

Memorandum.

Mr. Tuns:

I beg to return herewith the letter of the 4th ultimo from the Deverard Hebert Talmer, requesting the claim of Mr. T. A. Brick to Lot numbered 15, Tanfenberg Settlement, as a free grant, and to state for the Minister's information the following facts in regard thereto:-

Mr. Brick claims the said lot, containing 166 acres, as a free grant by virtue of occupation at the date of the extinguishment of the Indian title and made declaration before Treaty Commissioner Talmer in July, 1899. In which it is set forth that he was in residence on the land in question at the date of the conclusion of Indian Treaty No. 5 in the summer of 1899. He would, therefore, under the provisions of sub-section (e) of Section 76 of the Dominion Lands Act, be entitled to a free grant of the land (File 1074313 temporary, herewith).

Mr. Brick, however, in January, 1911, made claim to Lot numbered 67, Salt Prairie and Mount Hirer Settlement as a free grant, filing here in support of the same, declarations showing that he purchased this land from one William Bickford in 1907. The claim through Bickford would be of no effect as he was not in occupation or possession of the land at the date of the extinguishment of the said Treaty No. 5 but Mr. Brick also files evidence that he (Brick) was then in possession of this lot and an Order in Council was accordingly obtained authorizing a free grant to him of this parcel, containing 8.7 acres and patent thereof was issued to him for the said lot.

Under date the 1st instant Mr. T. A. Brick has advised that he might retain the said lot

Sir,

Replying to your letter of the 22nd August last, in relation to the application of Mike Shank on behalf of himself and his son to be permitted to purchase the fractional N.W.¼ of Section 17 and fractional S.W.¼ of Section 20, Township 87, Range 24, West of the Fifth Meridian, I beg to inform you that the Department is unable to meet Mr. Shank's wishes in the matter, these lands being the subject of a claim concerning which the Department is awaiting the receipt of certain information called for.

I may add that, in any event, as the respective areas of these parcels are 87.4 and 86 acres, they are not available for purchase as no Dominion Lands are at present open for sale except as purchased homesteads, pre-emptions and where small fractional areas of eighty acres or less are disposed of to the owners or homesteaders of land lying alongside.

3rd July, 1928.

Sir.

Re N.E.¼ 8-53-8-W.5th Mer.

In the matter of your homestead entry for the quarter-section above mentioned, in connection with which you submitted a statement in November, 1927, that is to say, prior to your departure for South Africa, to the effect that you have completed the residence duties, I beg to say that according to information furnished by an officer of the Department you have three acres only under cultivation at an estimated value of $120.00.

You are aware no doubt that under the regulations you will require when making application for patent to furnish proof of the cultivation of thirty acres at a cost of $6.50 per acre, or the equivalent of that area if the land is timbered or otherwise difficult and expensive to break. Estimating the three acres under cultivation at $40.00 per acre, it will be observed that you are short a matter of one acre in order to meet the requirements. In your letter of the 22nd November, 1927, it was stated that a Mr. Brooks was empowered to look after the cultivation of your homestead but according to information furnished by Mr.Brooks in a recent communication, while he has the land in crop, he states that no arrangement exists whereby he is required on your behalf to do further breaking. Although your entry is not the subject of cancellation proceedings, nevertheless, it is important that you should arrange to complete your cultivation duties so that on your return you may be in a position to make a successful application for patent, and I am to request you to be good enough to state your intentions in the matter.

Your obedient servant,

J. W.

The Department is in receipt of your declaration filed in defence of the cancellation proceedings pending against your homestead and pre-emption entries covering the above described land, and in reply to say that it is difficult to say therefrom, what duties have already been performed or whether you are now in residence. Failure to do so will render your entries liable to cancellation.

Replying to your letter of the 26th February, enclosing copy of letter received from Mr. D. A. Prebble regarding the sum of $2.00 charged in connection with the discharge of a lien in connection with the above described land, I beg to advise you that the arrangement made with the Provincial Authorities was that there was to be no charge for discharging the liens for the 1914-15 distribution. Re. NW 8-25-10, W4

In 1919 this Department advanced seed grain to the amount of $40.00 and interest to D. A. Prebble, on the security of the above land. An Inspector recently visited the land and reported that Mr. D. A. Prebble died two years' ago, and secured information to the effect that you are a sister of the deceased. The land on the security of which the advance was made is still reported as a pre-emption entry in his name. I would ask you to be good enough to advise as to who is handling the estate of the deceased, and also give information, if possible as to the prospects of making payment of this account.

This office letter of the 17th November last addressed to Miss Preble at ...sh Lake, Saskatchewan, has been returned undelivered.

D.A. Preble who received the seed grain advance in question is deceased. Cancellation proceedings have recently been instituted against the pre-emption entry on this quarter section which apparently is the only security for the advance. If any information comes to hand concerning the name and address of any person handling the estate of the deceased settler, action will be taken in an effort to secure collection of the seed grain account.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

In 1919 this Department advanced seed grain to the amount of $40.00 and interest to D. A. Prebble, on the security of the above land. An Inspector recently visited the land and reported that Mr. D. A. Prebble died two years' ago, and secured information to the effect that you are a sister of the deceased. The land on the security of which the advance was made is still reported as a pre-emption entry in his name. I would ask you to be good enough to advise as to who is handling the estate of the deceased, and also give information, if possible as to the prospects of making payment of this account.

This office letter of the 15th November last addressed to Miss Prebble at Rush Lake, Saskatchewan, has been returned undelivered.

D.A. Prebble who received the seed grain advance in question is deceased. Cancellation proceedings have recently been instituted against the pre-emption entry on this quarter section which apparently is the only security for the advance. If any information comes to hand concerning the name and address of any person handling the estate of the deceased settler, action will be taken in an effort to secure collection of the seed grain account.

First day—
On the day above mentioned, that is on the morning of the 21st Jan. 1929

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under Homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

Second day—
On the following day, that is on the morning of the 22nd Jan. 1929

For ordinary homestead entry by returned soldiers who have served overseas and who produce evidence of honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

Third day—
After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is on the morning of the 23rd Jan. 1929

By general public including civilians and returned soldiers.

Application for grazing lease cannot be made until the morning of the fourth day.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated. Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed.

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file at this office there are improvements on the land stated to be worth $ .....

Payment for Improvements

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent the *full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged against the Land

The following indebtedness is charged against this land: $ 40. & int. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay or assume the full amount of indebtedness (for particulars enquire at office of Agent).

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of D.A. Prebble
N.W. 4-25-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $40.00 was advanced to D.A. Prebble on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 40.00	$ 92.80	$ 132.80

The N.W. 4-25-10-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 4th of January 1929 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionaire of the 3rd of July 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land occupied at present und a long term grazing lease. This land is located in that part of th Province designated Special Areas and as such there is little likel hood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsu for farming purposes and no longer offers any security of value our advance. Under the circumstances it is recommended that t indebtedness be cancelled.
